Facial

(Value $30)

Rocky Mountain Academy of
Hair, Skin, and Nails

Our Beauty School

Our academy has been open since 2010. We offer a unique experience for our students. Besides our extensive training in all fields, we offer you the flexibility you need to help you work around your current job or child care responsibilities. It is up to you how many hours a day you would like to put into the program. Please click here for a printable student enrollment packet. For the public, we offer full salon services from cuts and colors, to facials, waxes, and lash extensions.
