Tokens will not be accepted for any route deviation fare.

Deviations must be paid with exact change and are CASH ONLY. Drivers do not carry change.

Deviations must be arranged with the Dispatch Office at 307-235-8287 at least 2 hours in advance.

Deviations can be rejected at any time at the dispath office or at the driver's discretion.

Rejections are rare and generally occur due to time constraints, weather conditions, construction delays, or excessive distance from route.

When a trip requires more than one bus route, passengers can transfer from one route to another. Transfers are free and can only be used for an immediate transfer.

If you cannot make it to one of our designated bus stops you may make use of our door-to-door transport service (ASSIST). This service is provided for the disabled, elderly, or disadvantaged.
