Questions and Answers

Questions: Questions were asked by technical specification page number and section number. The City's response to the questions are in the column "City's Response".

Page	Section	Request	City's Response
15	1.3.2 Electrical	OEM emergency flashers will operate with key off and system operation will be unmodified from OEM configuration.	Will accept
16	2.2.2 Passenger Entrance Door	All airbags must be retained and functional. The airbags will be retained and functional unless they are removed for the ADA site entry door. Confirm if this is acceptable.	Will accept
19	3.62 Instrument Panel	Instrument panel and dash shall be equipped with the following OEM instruments, gauges, and controls..... <ul style="list-style-type: none">Oil pressure gauge Confirm that it is acceptable to have oil pressure light.	Will accept
19	3.62 Instruments	The OEM dual note horn is only available with the Ambulance Package in 2024. Please accept the standard single note horn.	Will accept
19	3.7	As this is a full-size van, and not a cutaway, the vehicle comes with OEM ducted heat and A/C in the rear. Please confirm this is acceptable in lieu of the additional aftermarket heat and A/C specified.	Will accept

20	4.1 General	Could you please advise the number of wheelchair positions you would like? With this length of vehicle, just one position is allowable per ADA, but please confirm if more than one is required.	Only one (1) wheelchair position
