

**COUNCIL PRE-MEETING**  
Tuesday, March 19, 2019 5:30 p.m.  
Casper City Hall - Council Meeting Room

AGENDA

1. Distribution of March 5 Executive Session Minutes
2. Agenda Review
  - Midwest Avenue Change Order/Treto Construction

Mayor Powell began the pre-meeting session at 5:30 p.m. Present: Councilmembers Bates, Freel, Hopkins, Huber, Johnson, Lutz, Pacheco, and Mayor Powell. Absent: Walsh.

Andrew Beamer, Public Services Director, provided detailed information regarding the change order for the Midwest Avenue Reconstruction project, which was due to safety concerns and code compliance issues.

Councilmembers asked questions about the changes to the scope of the project, the responsibility of the adjacent property owners, the need for the project, why decorative lights had been chosen, if solar options would work, and if this would impact the State Office Building project. Mr. Beamer and City Manager Napier addressed these concerns.

Councilmember Pacheco introduced Andrea Covert, who is being recommended for appointment to the Leisure Services Advisory Board. Mayor Powell welcomed her and thanked her for serving our community.

City Manager Napier then provided background information regarding the agenda item for the Parkway street name change and asked if Council had any questions. Council did not have any questions.

Mayor Powell adjourned the pre-meeting at 5:47 p.m.
