October 7, 2020

MEMO TO: J. Carter Napier, City Manager *JCN*
FROM: Tim Cortez, Parks and Recreation Department Director
Randy Norvelle, Parks Manager
SUBJECT: Naming of new park located on Venture Way

Meeting Type & Date

Pre-Meeting
November 3, 2020

Action type

Minute Action

Recommendation

That Council, by minute action, select a name for a new park located on Venture Way.

Summary

In August, staff solicited park name suggestions from the public via the City website. Residents were directed to suggest names that fit the following criteria:

- Names must not infringe on any trademarks or licensed product.
- Names associated with natural features of the landscape (rivers, wetlands, etc.), natural resource related attributes (wildlife, vegetation, geological feature), and historic significance (people or places) are preferred for park properties.
- Submissions should be one to three word names that are concise and distinctive from a regional standpoint.

Twenty-five suggestions were received. A committee consisting of the parks manager, two parks supervisors, and the community relations coordinator reviewed the names and are recommending two of those suggestions. Staff also added two suggestions to the list for a total of four (4) suggested names.

The suggested name along with their reasoning are listed in no particular order below:

Name Suggestion	Reasoning for Name	Staff Comments
Horizon Park	The horizon is visible from every area of the park	Clever and different name than other parks
Venture Way Park	The park is on this street	Many parks are named this way (Goodstein Park, Conwell Park, Buckboard Park, etc.)

Eastgate Park	Nearby area is called Eastgate	Many Parks are named after geographic area or features (Garden Creek Park, Westwood Park, Fairdale Park, etc.)
Pronghorn Park	Wyoming is home to one of the largest populations of Pronghorn and they still call this area home.	Parks have generally not been named after animals and this is a unique name for a park. Staff did express concern that since there is a Pronghorn Street in Casper, this name could cause confusion since many parks are named after the street on which they are located.

Council is not limited to the list of suggested names and may select a name of their own choosing. The Parks Division recommends that the name not be one that is close to another name in the park system to avoid citizen confusion.

Staff also received suggestions from the public on a name for the dog park within this new park. Parks staff is open to naming the dog park separately and signage would say "Dog Park at X Park". Suggested names included:

- Bark Place
- Central Bark
- Rio K-9 Park (This suggestion was to honor one of Casper Police Department's first K-9 dogs. Rio performed numerous demonstrations, school appearances, and had a prestigious police career).

A full list of all suggestions with submission and staff comments is attached for Council's review.

Name Recommendations

Alphabetic List of Current Parks

Map of park area

Name	Park name	Explanation	Staff Comments
Tamara W.	Adventure Park	Adventure Park is a play on the location of the park, Venture Way	May be confused with Adventure Playground which is at Crossroads Park
Sheryl G.	Antelope Flatts	Before there was so many buildings, when I drove by that area I saw Antelopes and deer.	Historically have not named parks after animals
Fabian R.	McMuttville	Fits perfect in the area of McMurry Business Park	Dog Park name only, would not fit for entire park
Sheila M.	Mountain View Park	There is a beautiful view of Casper Mountain from this location.	Mountain View is an area in Mills, Wyoming. This could be a confusing name for the community.
Ellen J.	Horizon Park	Because you can see the horizon all the way around from there.	Staff liked this suggestion. Parks are historically not named this way. There is a commanding view of the horizon in all directions which could be seen as a geological feature
Craig C.	Dull Knife Park	Native American Chief (Cheyenne) with important history in this area. Not enough Native American history/names in Wyoming/Casper. He was involved in the battle that killed Caspar Collins, the City's namesake.	Dull Knife Reservoir is in northern Wyoming and this name could confuse the public
Carla T.	Cpl. Jason Corbett	He gave his life for freedom. KIA in Iraq.	Parks are generally only named after people who have made significant monetary donations for park development or donations of land for a park

Delano B.	Vibrant Valley Park	I think the name helps explain the terrain and is beautiful and charming in itself.	This suggestion was made from someone outside the community. Although residency was not a requirement for suggestions, staff is reluctant to use the suggestion
Kim J.	Sniff Park	That's what dogs do!	Dog Park name only, would not fit for entire park
Curt S.	Bark Place	Thought that because it will be a dog park within a park. Instead of Park Place, Bark Place. And the dogs will be all over the Place.	Dog Park name only, would not fit for entire park
Nancy P.	Claude Creek Park	From what I found on the map, it is near this creek. We have a Garden Creek Park, so the new park could be named for the creek near it.	Claude Creek is near the park but does not go through the park or feed the pond that is at the park. Generally parks named after creeks are along the creek.
Lance B.	Blackmore Pond Park	Great neighborhood name	The park is not located near Blackmore Road and staff believes this name would be confusing to the public.
Mike S.	Equality Acres	Named after our state and what we strive for our citizens.	Historically parks are named after people or geographical features.
Jack D.	Central Bark	I think it's funny and memorable and it tells you it's for dogs.	Dog Park name only, would not fit for entire park
Deena L.	NEIL MCMURRY MEMORIAL PARK	"Neil McMurry Memorial Park" Neil's involvement in the community was important to Casper growth. His kindness, generosity and always willingness to step up and give back. I feel naming the park in his honor is the most appropriate name. Thank you	Susie McMurry Park is the closest Park and is nearby and parks are generally only named after people who have made significant monetary donations for park development or donations of land for a park

Pat S.	Mahpe Park	Mahpe is the northern Cheyenne Indian name for water. Water is a precious resource for life in the high plains.	This suggestion was made from someone outside the community. Although residency was not a requirement for suggestions, staff is reluctant to use the suggestion
David S.	Rio K-9 Park	Rio was an exceptional K-9 and one of the first of the Casper Police Department. Rio conducted numerous demonstrations, school appearances, as well as a long and prestigious police K-9 career. It would only be fitting to name an off leash dog park after one of Casper's first K-9 Officers.	Dog Park name only, would not fit for entire park
Jamie D.	Pronghorn Park	Wyoming is home to one of the largest populations of pronghorn in the United States. They scatter our landscape and never fail to capture my attention as they sprint across the open spaces of our state. Pronghorn are integrated into the very being of Wyoming, and I believe it is a fitting name for the newest park in Casper.	Historically parks are named after people or geographical features. Casper does have a Pronghorn Street that is located off N Poplar. This may be confusing to the public.
Julie M.	Ad-Venture Park	I think adventure fits with the street name as well as having an adventure at the park	May be confused with Adventure Playground which is at Crossroads Park
Ryan P.	Deidra Walker-Rowe Memorial Park	Deidra was a wonderful person and city employee who was murdered earlier this year	Parks are generally only named after people who have made significant monetary donations for park development or donations of land for a park.

Garrett Z.	Kenny Sailors Memorial Park	<p>Kenny Sailors is most notably remembered as the inventor of the modern jump shot in basketball. Kenny was raised in Wyoming and played basketball at the University of Wyoming, where he lead the Cowboys to the NCAA Basketball Championship. Kenny was a Military Veteran and a prominent figure in Laramie. Unfortunately he has been left out of the NBA Hall of Fame, and it seems as though his legacy is being forgotten. I think naming the park "Kenny Sailors Memorial Park" would remind Wyoming of his importance.</p>	<p>This park will be a natural area and will not have a basketball court. Staff wondered if this would confuse people since Mr. Sailors was such a prominent player. Parks are generally only named after people who have made significant monetary donations for park development or donations of land for a park.</p>

MEMO TO: J. Carter Napier, City Manager 

FROM: Tim Cortez, Director of Parks and Recreation
Phil Moya, Recreation Manager

SUBJECT: Mike Lansing Stadium Proposals

Meeting Type & Date

Council Pre Meeting; November 3, 2020

Action type

Direction Requested

Recommendation

City Council review the requested information along with providing direction regarding this process before a recommendation from the review committee comes forth.

Summary

The deadline for proposals was October 9, 2020 at 4pm. Two proposals were received from Casper Horseheads and Spectra/Casper Baseball Club.

The Casper Horseheads would pay the City \$5,000 for the lease the first year along with a 5% escalator annually for the term of the lease. The Horseheads will pay the City 25% of charged user fees for other events (state tournaments, non-baseball events). The Horseheads will provide 3% of paid gross marketing sales and 3% of paid net concession revenues.

Spectra and the Casper Baseball Club would require a \$25,000 per year management fee and would share all revenues at an 80/20 split with 80% going to the City. Spectra is requesting that the contracts for the Events Center and Hogadon be extended to end at the same time in 2026.

Pursuant to the work session on October 27, 2020 staff was directed to provide more information regarding; Rates/Fees, Sponsorships, and Schedules.

October 30, 2020

Phil Moya
Recreation Manager
Parks and Recreation
City of Casper, WY
200 N David Street
Casper, WY 82601

Dear Phil,

Thank you for allowing us to provide detailed information regarding Spectra and Casper Baseball Club's outlined deal structure and future for Mike Lansing Field, we appreciate how diligent you have been throughout this process. After watching Tuesday evening's Council Meeting, we wanted to take the opportunity to reiterate and clarify the benefits of hiring Spectra and Casper Baseball Club for management of the Field.

First, we wanted to clearly state that Spectra is proposing to manage Mike Lansing Field on behalf of the City of Casper as opposed to leasing it and the City of Casper will hire Spectra to act as its agent. Spectra will work in the best interest of the City, no different than the successful structure we already have in place at the Casper Event Center. In this model, Spectra will work to maximize revenue potential through aggressive bookings and usage of the field, implementing creative food and beverage experiences, and selling sponsorship and advertising to our local and national corporate relationships. All revenues that are generated through this model will be retained by the City as opposed to an entity leasing the field. As outlined in the attached pro forma, we anticipate Mike Lansing Field operating at a **\$75,000 profit** in year one of our proposed agreement after paying Spectra its \$25,000 management fee.

Secondly, we heard a lot of discussion in Tuesday's meeting about scheduling and making sure the field is available for everyone. Our main priority for the field is to make sure youth baseball is properly served in the City of Casper, which is why we partnered with the Casper Baseball Club, ensuring that the 115 plus players spread across 8 teams have an opportunity to play in an affordable, safe environment. If the opportunity presents itself that a tenant would like to call Mike Lansing Field home, Spectra will negotiate a fair and equitable deal that would be in the best interest of the City, which is no different than what we do in many of the other 180+ buildings that we manage across North America. We will develop a comprehensive booking policy that the City will review and approve to make sure there are never schedule conflicts and everyone can use the field. For your review, we have developed a preliminary draft of a booking policy for Mike Lansing Field as a part of this submittal.

Lastly, one of the strongest benefits you will receive from Spectra are the unmatched resources and expertise we already have in place in the City of Casper through our operations at the Casper Events Center and Hogadon Ski Basin. We have already identified several synergies between the Field and our existing operation at Casper Events Center. Specifically, our Mike Lansing Field operation will benefit from support from Casper Events Center in the areas of event booking; event marketing and management; sales; promotions; operations; financial management, accounting, and reporting; legal; risk management; and human resources. As previously submitted and as a reminder, below and on the following page we have included a detailed breakdown of how Spectra's corporate and local team at Casper Events Center will support Mike Lansing Field.

Spectra Corporate Support - Rick Hontz, Regional Vice President

- Corporate oversight and support
- Risk management services
- Direct access to corporate resources for field management and sales

Administration - Brad Murphy, General Manager

- Event booking
- Management and oversight of field operations
- Relationship management with the City of Casper and Casper Baseball Club; working to facilitate the agreement

Human Resources - Amanda Flanagan, Office Coordinator

- Human resources support for employees
- Calendar coordination with Casper Baseball Club

Finance - Jessica Dixon, Director of Finance

- Monthly financial statements for the Mike Lansing Field
- Forecasting and budgeting
- Utilization of financial data when planning future events

Food and Beverage - Nick Kindrick, Director of Food and Beverage

- Provide and maintain concession inventory
- Manage concession stands for events in partnership with Casper Baseball Club
- Offer backstage catering services for Spectra events (when appropriate)

Event Services - Kristina Olson, Director of Event Services

- Oversight of Box Office for event ticketing needs
- Group sales support
- Event services oversight, including managing event staff, security, and medical

Marketing - Kendra Ziler, Director of Marketing

- Marketing, promotions, and public relations services
- Website development and maintenance

Operations - Jeff Bemis, Director of Operations

- Operations and maintenance support for special events
- Coordination of event production needs

Corporate Partnerships - Dan Foote, Director of Corporate Partnerships

- Partnerships National Network support
- Secure local sponsorships and advertising opportunities

We want you to know that you have our personal commitment to bring the best operations and oversight to Mike Lansing Field. As previously outlined in our Response, we are willing to negotiate our base management fee for services provided at the Field to ensure the overall compensation plan meets our mutual goals.

Kind Regards,

Peter Zingoni, Vice President
Business Development and Client Relations

MIKE LANSING FIELD EVENT BOOKING POLICIES AND PROCEDURES

AVAILABLE DATES AND HOLD POLICY

1. Personnel Authorized to Give Out Available Dates and Place Holds

The distribution of available dates and placement of holds will be handled directly by:

- General Manager
- Office Coordinator
- Director of Food & Beverage (when appropriate)
- Director of Event Services (when appropriate)

EVENT BOOKING POLICY

1. Personnel Authorized to Book Events

The scheduling of the Stadium for a concert or a Special Event will be handled directly by:

- General Manager (all concerts)
- Office Coordinator (when appropriate)
- the Food and Beverage Manager (when appropriate)

2. All bookings are on a first come, first serve basis.

3. Annual Events receive first preference for the same dates on the following year, provided all fees owed to the Casper Events Center are current and paid.

4. Primary baseball program tenants receive priority scheduling status. Tenants must provide the General Manager with a request for all practice, game and tournament dates in a timely manner. General Manager in cooperation with Tenants will identify available dates. General Manager has the final decision for confirmation of dates. Priority given to the clubs in the following order.

1. Casper Baseball Club
2. Summer Wood Bat League Team

Schedule to be developed in February preceding the baseball season

5. Information needed for calendar:

- a. Name of person placing the hold/contact for the event
- b. Company they represent
- c. Name of the Event
- d. Phone number for contact person

6. Protection for Date
 - a. Non-conflicting date is defined as:

EVENT BOOKING POLICIES AND PROCEDURES CONTINUED

No other similar event/concert. If first promoter approves of second show, then it will be acceptable.

- b. Protection:

At General Manager's discretion, protection to promoter can be offered up to 30 days before and after for a similar event.
7. Challenge to Date

When a hold date is challenged, the Casper Events Center will notify the "hold" contact stating that their hold for that date is being challenged and in order to firm the date, it will be necessary for the party to submit the required deposit within forty-eight hours (2 working days). If the deposit is not received, the hold for that date will be released.

RENTAL RATES

The basic rental fee includes use of the field, dugouts, press box, and stadium seating. There will be a labor charge for greater than normal cleanup and/or setup requirements that are not normally associated with the event. Only the General Manager has authority to negotiate variations in rental rates.

Rates do not include any special requirements such as security, ticket takers, medical, , stagehands, riggers, runners, sound and light operators, exhibit/convention booth equipment, materials, etc. The number and identify of persons to be used in public service capacities shall be designated by the Casper Events Center General Manager. Rates for these services and additional equipment requested shall be charged at the current Casper Events Center reimbursable rate schedule.

Rental rates charged will be at the current rental rate in effect at the time the contract is signed. The contract will clearly state the rates that will apply. The lessee shall understand that charges for personnel and equipment provided by the Events Center are subject to change without notice.

RATE CATEGORIES

1. Commercial Rates

Use of the facility by a for-profit institution, agency, commercial promoter, business, or private enterprise.

2. Non-Profit and Local Government Rates

Rate applied to the Natrona County School District, Natrona County governmental agencies, Mills, Evansville, Bar Nunn, Midwest, Edgerton, the Wyoming Association of Municipalities and non-profit agencies located within Natrona County and registered with a federal tax exemption. Proof of tax exemption is required in advance of the event.

EVENT BOOKING POLICIES AND PROCEDURES CONTINUED

3. Other City of Casper Department Rates

Other City of Casper departments will not be charged for field and stadium rental, but will be charged for reimbursable labor, maintenance labor, food, beverage, and materials.

Rates and Fees		City of Casper	Casper Horseheads	Casper Baseball Club/Spectra

- 4. OTHER EVENTS**

HORSEHEADS NOTE - OUR PRESEASON PRACTICES WILL BE SCHEDULED

SO AS NOT TO CONFLICT WITH LEGION GAME SCHEDULES

ONCE SEASON STARTS MAY 25, WE DO NOT PRACTICE
