Recommendation

That Council direct staff to apply for the SLIB Capital Construction Loan, which creates funding for the project in FY24, and repaying the project costs over 5 years which fits into the 1%17 allocation schedule.

Summary

In the Council resolution 22-133, Council provided direction on the allocation of 1%17 anticipated revenues over the next 4 years. The Aquatics Center Roof Deck, \$508,000 from Public Building Repairs and \$1,356,000 from Sports and Physical Fitness was a project that was included in the allocation for a total of \$1,864,000; with \$466,000 allocated each year over the 4 years starting in FY25.

City staff have estimated 1%17 will produce \$64,500,000 in funding over the 4 years of collections. The 1% funds come in each month over the 4-year period. It is necessary to allocate the funding over the 4 years so the projects being funded have cash on hand.

The Aquatics Center roof deck was evaluated by structural engineers in 2022 after significant corrosion of the steel deck was observed by City staff. A final report provided in June 2022 recommended replacement of the damaged structural roof deck, vapor barrier, and membrane roofing systems to avoid catastrophic failure and associated safety risks. The project design is already budgeted and is underway. Because of the critical nature of the roof condition and the need to start construction earlier than FY27 when all the funds would be on hand, alternative funding was explored.

Financial Considerations

Several options are available:

1. The 1%17 funding for the 1st year is estimated to provide \$5,444,250 in revenue. Council could direct staff to make the Aquatics Center Roof project a priority and defund other critical projects. Projects which could be defunded include Street Repairs \$1,816,667,

Project Safe \$1,002,000, Community Assistance Programs \$564,333, Police and Fire \$458,333 and \$317,083, Water and Sewer Projects \$866,667, Building Maintenance Vehicles and Trails Projects \$15,000 and \$50,000, Bus Service \$166,667, and Non-profit Support \$187,500.

2. Investments could be liquidated to provide funding for this project now and be replaced over the next 4 years as the funds are received from 1%17 until the balance was repaid. The most recent investment performance report shows a yield to maturity of 4.51%. If fixed income bonds were to be liquidated, the City would realize a loss on selling bonds in addition to a reduction of investment income. Assuming the funds would be returned to investments at the end of each year after the 1% was collected, the lost revenue from investments at 4.51% would be approximately \$126,100.
3. The State Land and Investment Board offers a Capital Construction Loan Program for which this project would qualify. The loan is from 5 to 25 years and the interest rate is adjusted for a longer term. As the collections for the 1% are over the next 4 years, the loan term for this project would be 5 years. The interest rate would be 1% and there would be a one-time origination fee of 0.5%. The origination fee would be \$9,320, payments would be \$384,059 and interest over the life of the loan would be \$56,291. The payments are due annually and would be funded from the 1%17 allocation. The 1%17 will cover the principal and anticipated budget savings from the design, estimated to be approximately \$100,000, will cover the interest and the origination fee.

Recommendation

That Council reviews and provides feedback regarding staff efforts to decrease costs, increase revenues, and continue to improve the cost recovery at the Municipal Golf Course.

Summary

The Casper Municipal Golf Course first opened in 1929 with sand greens as putting surfaces. Over 90 years later, the 27-hole golf course located on 185 acres offers some of the best views of Casper Mountain and the surrounding city from its three unique and challenging nine-hole courses - Park, Highlands, and Links. In addition to the three skillfully maintained nines, the Muni offers cart rentals, driving range and practice chipping/putting greens, a pro shop, league play, lessons and clinics, and food and beverage services through the 19th Hole, the Clubhouse's concessionaire-operated restaurant and bar.

The Golf Course Fund, categorized as a Parks & Recreation Enterprise Fund, is currently the only Rec Enterprise fund that is self-sustaining, meaning it does not rely on an investment from the City's general fund to balance its operating budget each year. Revenue in excess of annual operating expenses remains in the fund and can be utilized for capital improvements or equipment purchases for the Golf Course. In 2018, City Council passed a resolution that established the Golf Course's cost recovery goal as 110%. A five-year history of the subsidy is charted below.

FY	Revenue	Expense	Surplus	Cost Recovery
2018	\$ 696,001	\$ 557,533	\$ 138,468	125%
2019	\$ 718,526	\$ 650,538	\$ 67,988	110%
2020	\$ 697,363	\$ 673,038	\$ 24,325	104%
2021	\$ 957,631	\$ 738,784	\$ 218,847	130%
2022	\$ 1,037,967	\$ 890,067	\$ 147,899	117%

To ensure continued success, staff has identified a number of strategies to reduce costs and bolster revenue at the Municipal Golf Course. Recently employed or planned strategies include:

- Implemented Club Caddie Software in FY22 to allow for online self-scheduling and payment for tee times.
- Restructured MOU with the Natrona County School District that assesses practice fees for golf course use for the first time.
- Installing a self-serve range ball dispenser on the driving range to expand convenience and hours for driving range use.
- Reducing operating costs by close monitoring and management of seasonal staffing and material costs, and decreasing reliance on potable City water for irrigation.
- Implementing small perks that add value to season passes and bolster pass sales.
- Improving marketing through targeted marketing strategies as well as enhanced website and social media presence.
- Pursuing corporate sponsorship, naming rights, and advertising opportunities, including GPS systems in carts that provide advertising.
- Increasing/improving programming for youth golfers and men's/women's leagues.
- Evaluating and modifying rates as appropriate to increase revenue while maintaining a competitive price point for customers.
- Long-term: Replacing the Clubhouse and inefficient irrigation systems.

City Staff requests feedback from City Council on which of the strategies above they approve of pursuing, as well as any others not identified here.

Work Session, February 14, 2023

Recommendation

Information only.

Summary

Attached is the annual City of Casper Liquor License Review for the 2022 calendar year. Similar to last year, no licensed establishments created an overwhelming, inordinate police response. Some establishments saw decreases in their demand for police services and should be congratulated. A few establishments saw significant increases in calls for police services. The most significant increase may possibly be related to the introduction of gambling this year, compared with the same location last year.

In accordance with State of Wyoming grant funding, multiple compliance operations were conducted during the calendar year. Twenty-five (25) businesses failed the compliance check, up 67% from the fifteen (15) that occurred the prior year. Only one (1) establishment had more than one failure during this year's compliance operations. However, three (3) establishments from this year also failed a compliance check last year.

Across all licensed establishments throughout the entire year, Casper Police responded to calls for service associated with licensed liquor establishments a total of five-hundred and forty (540) more times than last year, a 26.8% increase.

In this report will be a visual indication on how individual licensed establishments compared to last year's calls for police services at their location. Following the number of total calls for service for each establishment will be an indication of call increases, in red, decreases, in green, or NC for no change. New establishments are marked N/A. Statistically relevant changes occurred at the following establishments:

307 Racing	(+814%)
2 nd Street Liquor and Wine	(+700%)
Gaslight Social	(+387%)
Albertsons Liquors #60	(+57%)
Ramkota Hotel	(+35.8%)
The Horse Palace	(+33%)
Smith's Food and Drug	(+21.1%)
Econo Lodge	(-18.1%)

The following data represents relevant alcohol-related crimes and calls for service for 2022, compared to 2021.

	2022	2021	% Change
DUIs	310	294	5.4%
Public Intoxication	320	291	10.0%
Minor Possession of Alcohol	22	66	-66.7%
REDDI Calls	693	675	2.7%
DUI Accidents	63	74	-14.9%
Alcohol Related Accidents	80	90	-11.1%
Alcohol Related Incidents	1174	1262	-7.0%
Average BAC	0.166	0.163	1.8%

Although the number of alcohol related crashes declined, there is anecdotal evidence that the *severity* of the alcohol involved crashes increased.

Through increased training, such as ARIDE, the Department’s capacity to investigate and apprehend drivers with lower BACs has improved, resulting in persons being arrested with lower BAC averages, thus bringing down the overall BAC at time of arrest. However, the aforementioned anecdotal observations indicates the average BAC of drivers at the scene of a crash has significantly increased.

The Department has no recommendations for any adjustments to enforcement changes or for Council driven policy or ordinance changes.

5.08.540 - Council hearing and appeal of suspension or revocation.

If it appears to the city council that there are concerns that a suspension or revocation of a license may be appropriate, the licensee shall be afforded an opportunity for hearing before the city council. The purpose of such hearing is to allow the licensee to provide information demonstrating that such action is not warranted. Notice of such hearing shall precede consideration of the matter by at least ten days, shall be served personally or by mail to the address of the licensee listed on the licensee's most recent liquor license application to the city, and shall include a statement:

1. That it appears to the city council that there are concerns that a suspension and/or revocation of the licensee's license may be appropriate;
2. Summarizing the nature and date(s) of the incidents resulting in the concern(s);
3. That a hearing on the subject has been scheduled before the city council, and further informing the licensee of the time and place of the hearing; and
4. That the purpose of the hearing is to allow the licensee to offer corrections and/or contest the information before council which has given rise to the concern(s).

A. At a hearing, a licensee may appear in person or through counsel. A licensee will be given an opportunity to present evidence and argument on the relevant issue. Evidence relied on shall consist of information commonly relied upon by reasonably prudent people in the conduct of their serious affairs. Irrelevant, immaterial or unduly repetitious evidence shall be excluded. A record shall be made of the proceeding and shall include the following:

1. All notices and intermediate rulings;
2. Evidence received or considered by the city council including information officially noticed and received from the municipal court;
3. Questions and offers of proof, objections and rulings thereon;
4. Any proposed findings and exceptions thereto; and
5. Any opinion, findings, decision or order of the city council and any report by any hearing officer.

B. Nothing shall preclude the city council from appointing one or more hearing examiners or officers to conduct any hearing called for by this section for the purpose of assembling a record for subsequent consideration by the city council. If a hearing examiner is appointed, the council shall direct the examiner to forward the record of the hearing to the council either with or without proposed findings of fact and conclusions of law, and with or without the opinion/recommendation of the examiner.

C. Following the hearing described in this section, and based upon the information considered and received at such hearing, and the sanctions described, the city council shall:

1. Order the suspension of the license in question;
2. Authorize the city attorney to prepare and file with the district court a petition to revoke the licensee's license; or
3. Find that suspension or revocation is not required by the terms of this section;
4. Place conditions upon the license and licensee which shall address concerns of the council which exist after the hearing.

City council decisions shall be in writing, shall be supported by findings of fact and conclusions of law, and shall be delivered to the licensee in interest either personally or by mail at the address listed on the licensee's most recent liquor license application to the city.

D. The city council's action suspending a licensee shall be subject to review in the district court in accordance with the procedural rules heretofore or hereinafter adopted by the Wyoming Supreme Court concerning the review of administrative actions. Filing an appeal as provided in such rules, stays enforcement of the suspension decision pending final order on the appeal. The city council's action may be set aside by the district court if it finds the action to be:

1. Arbitrary, capricious, or otherwise not in accordance with law;
2. Without observance of the procedure required by law; or
3. Unsupported by substantial evidence.

E. If a license is revoked, except as provided in Wyoming Statutes Section 12-7-201(d) concerning the expiration of a licensee while a revocation order is under appeal, the holder of such revoked license shall not be eligible to apply for a new license for a period of twelve months from the date of revocation.

Recommendation

That Council review and select topics to be suggested as interim topics for the 2024 Wyoming legislative session.

Summary

Every year as preparation for the next legislative session, the legislature accepts interim topics from senators and representatives. Topics are reviewed and accepted or rejected by legislative leadership. Accepted topics are assigned to committees for prioritization, study and recommendations. Topics that move forward through committees are developed into bills and sponsored for introduction into the legislative session.

In past years, the City of Casper has worked with this legislative process and asked legislators to sponsor interim topics that Council prioritizes. Staff is suggesting ten topics for Council consideration. Staff will work to find a legislator to sponsor for all topics selected by Council. Depending on the topic, finding the sponsor will be done in conjunction with Wyoming Association of Municipalities, individual legislators, or other associations such as Wyoming Association of Sheriffs and Chiefs of Police (WASCOP). The topics below have been submitted to Council for consideration as interim topics.

- Enhanced penalties for crimes involving vulnerable persons and professions
- Standardized system for reporting and investigating missing persons regulations
- Retail liquor license fair market system
- Increased municipal revenue strategy
- Local government authority to adopt the State liquor rules
- Municipal option to publish minutes online
- Reform state statutes to address crimes of evidence manipulation including harboring, aiding or abetting a fugitive; assault and battery; unauthorized use of a vehicle; and bond and release for domestic violence offenders
- Restoration of Department of Criminal Investigation funding
- Appropriations for mental health services as prevention for violent crime and homelessness
- Establish law against neglectfully bussing problem individuals to other jurisdictions
- Decriminalize cannabis.

All topics selected by Council will move to the February 21 Council meeting as a minute action item for Council approval.
