Print-At-Home Tickets: Instructional Guide

What are Print-At-Home tickets?

Print-At-Home is an electronic delivery method by which your tickets or items are emailed directly to you immediately after your purchase. You will receive two emails after your purchase; the first will be your Print-At-Home email with your tickets attached, the second will be your order confirmation (*does not include tickets*).

Benefits

- 👉 Avoid waiting in “Will Call” lines to pick up your tickets.
- 👉 Prevent your tickets from getting lost in the mail.
- 👉 You can print or reprint your tickets anytime prior to the event if they are misplaced.

Special Notes

If you are using any spam filters and want to ensure that you receive the email containing your tickets, please add our email – boxoffice@cityofcasperwy.com – to your approved spam filter list. Each Print-At-Home ticket will arrive as an attachment in the email. Please set your email to accept attachments.

Adobe Acrobat Reader version 4 or higher is required to use the Print-At-Home feature. A free copy of the software can be downloaded at www.adobe.com.

preferred delivery method.

You will receive an email with your
print-at-home tickets attached.

Print your tickets in color or black and
white on standard 8.5x11-inch plain
white paper on your home printer. *Each
ticket should be treated like any other valid ticket.*

Bring your ticket to the event! Casper
Events Center scans all tickets using the
barcode on each ticket. Print-At-Home tickets
are individually barcoded allowing one scan per entry
so any attempts to duplicate, alter or sell any copies of
the Print-At-Home ticket may result in admittance being
refused to the event. This provides heightened security by
identifying counterfeit and stolen tickets.
