[www.kab.org](http://www.kab.org)

a **cleanup** program  
from the

Casper Area  
Chamber of Commerce  
**Beautification Committee**

in cooperation with the

**City of Casper**  
&  
**Keep Casper Beautiful**

# Join us...

1. Select a street to adopt.
2. Register using the form in this brochure
3. Complete the Adopt A Street, non-binding contract.
4. Cleanup your adopted street at least 3 times per year.

# Your rewards...

- ★ Adopt A Street sign with your name plate posted in the area you adopt.
- ★ The satisfaction of being part of a community beautification and pollution prevention effort.
- ★ The gratitude of your fellow citizens.

# We'll help...

- ★ A litter kit is a big, plastic box with almost everything your group needs to manage a volunteer cleanup event:
  - ★ 32-gallon trash bags
  - ★ Cotton, jersey gloves
  - ★ Safety vests
  - ★ Litter Tongs
  - ★ Balefill pass for 2 pickup loads or less of bagged litter (*The city can also make arrangements to pick the bags of litter up, call 235-7562 for details.*)

Litter kits can be borrowed from Keep Casper Beautiful located at the City Solid Waste Facility.. To reserve a litter kit call 235-7562.

- ★ If you want to adopt a street near your business or organization and don't have the time or manpower to do the cleanup,, give us a call at 235-7562 and we will help you find a non-profit group to do the work in exchange for a cash donation.

# Top Ten Most Littered Items

1. Cigarette Butts
2. Bags/food wrappers
3. Cups, lids
4. Beverage bottles (glass)
5. Beverage cans
6. Cups, plates, forks
7. Beverage bottles (plastic)
8. Straws, stirrers
9. Fast-food containers
10. Cigar tips

# Not all litter is created equal...

Some litter is made of biodegradable materials, allowing it to break down naturally over the course of time. Natural materials are often more biodegradable than man-made materials, and environmental factors such as heat, sunlight, and moisture can accelerate this process.

Average litter material	Breakdown Time
Cotton	1-5 months
Paper	2-5 months
Unpackaged food	6 months
Wool	1-5 years
Plastic	10-20 years
Leather	25-40 years
Metal containers	50-100 years
