

CITY OF CASPER SOLID WASTE FACILITY

1. **Scalehouse** (Weigh-in scales)- All vehicles visiting the facility must check-in at the scalehouse.
2. **Metal, Cardboard, & Plastic Recycling**- This area allows you to back your vehicle to a dock and drop heavy metal items down into the bins or to recycle plastics.
3. **Recycling Depot**- the recycling depot has containers for office pack, magazines, newspaper, glass and aluminum cans.
4. **Oil Recycling**- Citizens may dispose of their oil for free utilizing the oil recycling container.
5. **Compost Yard**- Citizens may dispose of branches, leaves, grass, sod, horse & cow manure and hay & straw at the compost yard for free.
6. **E-waste Recycling**- Electronics (TVs, computers, monitors, etc) may be dropped off here for recycling. A fee may apply.
7. **Construction & Demolition (C & D) Drop Off**- Residential pick-up and 8 foot trailer loads of C&D materials can be dropped off in this area.
8. **Baler Building**- Regular household garbage may be disposed of at the Baler Building. Please see reverse side for a list of items that cannot be disposed in the Baler Building.
9. **Road to Landfill**- Commercial construction and demolition materials and animal waste may be disposed of at the landfill.
10. **Exit Scale**- The exit scale weighs vehicles out of the facility. (Do not need to weigh out with waterbill)

The colored arrows on the map match the colored signs at the facility. Use the colored signs to find the appropriate areas for items as directed by the scalehouse clerk.

COMMON ITEMS AND WHERE TO DISPOSE OF THEM

Below is a list of common items and where at the facility to dispose of them. We recommend that customers use this list to help them pack their load. By sorting items into groups as you load, your trips to the facility will become more efficient.
