Others Present: Roxy Skogen (Skogen, Cometto and Associates), Matt Reams, and Renee Hahn (ARAJPB).

With a quorum in attendance, the meeting was called to order at 5:00 p.m. by Chairman Mersch. All attendees were asked to participate in the Pledge of Allegiance to the Flag.

1. Approval of Audit Report

Ms. Skogen presented and explained the 2019 Audit. The substantial points of discussion were as follows:

- The monthly financial report prepared by Lenhart-Mason and Associates is valuable both for preparation of the audit and providing accurate financial information to the Board.
- She informed the Board there were no adjusting entries this year and no additional recommendations.
- Restricted Funds has been reviewed and approved. Economic Development Restricted Funds total \$1,283,095 and Building and Facilities Restricted Funds total \$3,146,545. Unrestricted Net Assets totals \$10,241,279.

A motion was made by Mr. Stack and seconded by Mr. Follick to approve and accept the Audit Report.

There being no further discussions, the Board members in attendance proceeded to vote. The motion passed with all members present voting aye. (Copy of Audit on file).

2. Minutes from the November 12, 2019 Regular Meeting

No corrections were made to the November 12th Meeting Minutes. The motion was made by Mr. Follick and seconded by Mr. Chynoweth to approve the November 12th Minutes.

There being no further discussion, the Board proceeded to vote. The motion was carried with all in attendance voting aye.

(Copy of Minutes on file).

3. Treasurer's Report

Details on investment accounts were given by Mr. Chynoweth. He reviewed the vouchers listed on the Treasurer's Report as of December 11, 2019. A motion was made by Mr. Chynoweth and seconded by Mr. Follick to approve the Report and authorize payment of all vouchers listed on the Treasurer's Report. There being no further discussion, the Board proceeded to vote on the Treasurer's Report. The motion carried with all members in attendance voting aye.

4. Committee Reports

- Architectural Review – No Report.
- Platte River Commons – No Report.
- Refined Properties – No Report.

Three Crowns – Mr. Reams described the Three Crowns Committee recommendation for ARAJPB to purchase the 2020 Club Car Fleet with a GPS System at \$507,014. The motion was made by Mr. Follick and seconded by Mr. Chynoweth to approve the purchase with a Lease accruing 3.1% rate. Currently ARAJPB average yield is 1.56%. In addition, at the end of the Lease there will be a residual of \$125,000 from which ARAJPB will be made whole and the remainder of \$17,000 will be given to Three Crowns for a purchase towards another fleet in six years.

There being no further discussion, the Board proceeded to vote. The motion was carried with all in attendance voting aye.

1. Mission

The Arc of Natrona County is committed to securing for all people with cognitive, intellectual, and intellectual/developmental disabilities, the opportunity to choose and realize their goals of where and how they learn, live, work, and play. The Arc of Natrona County is further committed to reducing the incidence and limiting the consequence of intellectual/developmental disability, through education, research, advocacy and the support of families, friends and community.

2. Financial Information

Financial reports are attached. The Profit and Loss shows our total income from all services. Because we provide multiple services for each individual served we are unable to class it to Adult Day and Inclusion separately, so all income from services are entered as Respite. The attached Profit and Loss by Class shows the correct expenses for each of those programs.

3. Program Significance

a. The Arc of Natrona County serves:

- 42 individuals with documented disabilities, including: 25 children and 17 adults, ranging from 5- 43 years of age.
- 10 females and 32 males.
- Individuals with a wide range of needs, including but not limited to: Autism Spectrum Disorders, Mental Retardation, seizure disorders, unique medical needs, and behavioral needs.

b. Funding from 1% #16 impacted our population because it allowed our individuals access to the same activities as neurotypical individuals. Due to the disabilities our individuals have they don't all have access to extra income, therefore they are not always able to participate in what our community has to offer. Thanks to this funding they have been able to truly be a part of our Casper community and have been able to work on many skills that help them appropriately function in the community. This funding has also continued to make our program possible by being able to help us move our coordinator to a salaried administrative position. Moving our Adult Day Coordinator up has pushed her to expand her knowledge to help grow our program by offering new ideas and activities to support our individual's growth.

c. There have not been any significant trends to note the last few months, just really trying to grow and expand our program, in numbers of individuals served, which takes time.

4. Results

- a. From July 1, 2019- December 31, 2019 we were able to send our individuals on 232 community activities, 129 of those in which were funded with this grant. That means that 55% of our activities were covered by grant monies, and the remainder of those activities were free. 100% of our individuals served were able to participate in 100% of the activities of their choice due to grant funding. Before this funding was available we had individuals who could only afford to do 50% of the planned activities. Now they are given the same opportunity as their peers for the same community interactions. This also covered 30% of our Adult Day Coordinator's salary, to run our Adult Day program. By moving this person, who is very invested in The Arc and our individuals, into an administrative position this ensured our program ran smoothly and effectively.
- b. These results were measured by tracking how many community activities they attended and what activities cost money and which ones did not. Our Adult Day Coordinator's salary was tracked by what her salary is and how much these funds helped pay that salary after community activities were paid.
- c. We have noticed a decrease in negative behaviors in the community the more access our individuals have had to it. These behaviors are all documented and tracked on Incident Reports and those reports have gone down over the last 6 months. We are seeing socialization skills and independent living skills increasing, along with them wanting to give back to our community through volunteer opportunities. We are also now able to offer horseback therapy to all of the adults we serve. We have plans to offer this to our children in the summertime also, when they are out of school. Equine therapy has many benefits and one we see most helpful is that it alleviates stress and anxiety in our individuals with Autism Spectrum Disorders.

5. Program Results/Impacts (use bullets)

- a. From July 1, 2019- December 31, 2019 we provided 6,932 hours of services between our programs in house. Adult Day provided 5,407 of those hours while our Inclusion program provided the remaining 1, 525 hours. Our Adult Day program runs Monday-Friday 8 am- 5pm and individuals receive those services however they wish, so the amount of services provided varies from person to person. Our Inclusion program is only for children and runs after school, during days they are off of school and in the summer time after summer school hours.
- b. Our individuals served became better from our services because of all of the opportunities they are provided to be in the community. While in the community our individuals have been working on volunteer opportunities, working on life skills, and also learning more how to be integrated into our community. Our adults have really gotten into doing more age appropriate activities like playing pool, trivia and darts at local establishments in town. We have seen an increase in their comfortability levels and confidence to interact within the community and with other people they encounter.
- c. This past year's data tells us that our targeted population not only had more opportunities to participate in new community activities but also had a positive increase in their social and behavioral skills that they worked on because of these opportunities. Not only is this impacting our targeted population but I feel these opportunities are also increasing the awareness of our community and teaching others how to interact with people with disabilities.

6. Results Analysis

- a. I think our program could've worked better if we would've looked at more options for our individuals to interact with others in the community outside of their typical interactions. This could be a safety issue for some of our individuals served but is something we would like to look at working on. This could include participating in a bowling league with neurotypical individuals, playing pool and darts with others who are hanging out at the bar, making new friends, etc.

- b. I have met with our Adult Day Coordinator on ways we can look at expanding that, while still keep our individuals safe and their personal information confidential (at guardian's request).

7. Population Served

Overall, The Arc serves 42 people in our services combined. For our Adult Day program and our Inclusion program, which are both receiving this funding, we are serving 22 individuals; 12 adults and 10 children. We requested funding for community activities for both of these programs so anyone who is receiving our services in these programs also receives this funding to participate in what our community has to offer.

Mission

CASA (Court Appointed Special Advocates) of Natrona County is a caring non-profit organization that speaks for the best interests of abused and neglected children within the juvenile court system. CASA recruits, trains and supports volunteers drawn from a diverse population to provide this service.

Financial Information

CASA was allocated \$15,556 for four years - \$972.25 per quarter.

The Program Manager salary is \$57,010 per year. CASA is able to reimburse \$972.25 of the \$14,252.50 per quarter paid in her salary. The program manager oversees recruiting and training new volunteer advocates and supervises the two Case Managers.

Program Significance

- **Abused and neglected children.** The children who the volunteers advocate for have all been removed from their homes and placed into State custody because they have been abused and/or neglected. The children we serve range in age from 0 to 18 years old. 80% of the children in our program are under the age of 11 years old.
- **Trained Advocate Volunteers.** CASA Advocates are a voice for children in the court system, making recommendations for their best interests as well as their educational, emotional, health, and placement needs. This service allows the courts to make more appropriate decisions with more information in each child's case. During court proceedings, CASA Advocates help alleviate some of the child's fears by being present with them. They help comfort and assure that child because of the trusting relationship they've built with them.
 - CASA Advocates help ensure these children have every opportunity to thrive and have healthy, responsible adults contributing to their well-being, allowing them to grow into more stable, positive community members.
 - Children with a CASA advocate spend, on average, 8 months less time in foster care.
- **Trends.** July 1, 2019 - December 2019 there were 96 new children who entered our program, the same 6 months in 2018 there were 74 new children who entered our program. That is a 23% increase this year over last.
 - There has been a 9% increase year over year from 2018 to 2019.

Results

In the last 6 months:

- 304 abused and neglected children received direct advocacy
- 96 new children were referred to CASA
- 15 new volunteer advocates were sworn in
- 61 advocate volunteers provided direct advocacy to children in our program

Program Results/Impacts (use bullets)

- 107 children were placed in a safe, permanent home, having the guidance of a CASA volunteer by their side during their entire case
 - 58 children reunified to their own home
 - 4 children adopted
 - 30 children went into guardianship

- 14 were dismissed from the docket
 - 1 aged out of the foster system
- Volunteer advocates provided 725.25 hours of advocacy to abused/neglected children
- Volunteer advocate drove 2946 miles during their advocacy
- Volunteer advocates attended 421 court hearings
- Children with a CASA advocate spend, on average, 8 months less time in foster care
 - Savings to the State of Wyoming over the past 6 months - \$1,111,088
- The number of children increase every year. It is not unreasonable to think we will serve over 400 children next year and likely have to increase our staff and advocate volunteer numbers in order to meet the demands of the abused and neglected children being appointed to our program.

Results Analysis

- CASA of Natrona County staff and volunteer advocates are taking on more and more cases. We interview, train and support quality advocate volunteers, making sure they have staff support and obtain knowledge yearly on changing child welfare laws and trends. We provide in services, webinars and conferences to keep the advocates up to date.
- CASA will put in place a present marketing and awareness campaign in order to recruit more volunteer advocates to join forces with our program in order to meet the increasing needs of children entering our program.
 - We will provide as many additional trainings as necessary to meet this increasing need in our community.

Population Served

- The number of abused and neglected children that are appointed to our program increases each year over year.
 - 2019 - 386 children
 - Age 0 - 5 - 45%
 - Age 6 - 11 - 33%
 - Age 12 - 15 - 14%
 - Age 16 - 17 - 5%
 - Age 18+ - 3%
 - 2018 - 352 children
 - 2017 - 338 children
 - 2016 - 330 children
 - 2015 - 324 children
 - 2014 - 304 children
 - 2013 - 256 children
- There has been an increase in heroin and methamphetamine use in our community, which increases the number of children being neglected and abused by their caregivers.
- The severity of cases has become much worse over the past couple years.
- There has also been a decrease in jobs in our community, with the number of oil and gas companies downsizing, laying off employees and some closing offices, which leads to more stress, at times it leads to a turn in substance abuse, which in turn leads to more children being abused and neglected. The economic increase has been slow to turn around and continues to be a complicating factor for families.

1. Mission

Please state the agency's mission/vision.

- The Casper Housing Authority provides quality affordable housing that is well integrated into the fabric of neighborhoods and serves as a foundation to improve lives and advance resident independence.

2. Financial Information

Please attach a one (1) page summary of the revenue and expenses for this program. Please include the amount you were allocated from One Cent funding.

Amount Awarded for FY2020 \$125,000

Amount billed from CHA to City (7/1-12/31) \$42,680

Amount spent by CHA on Lifesteps (7/1-12/31) \$40,366

Difference between amount billed and spent is amount billed includes the final construction costs for the space.

3. Program Significance

Using bullets describe the individuals who are the focus of your work and are influenced by your activities.

- Our organization serves families and individuals who are low-income and live below the poverty line.
- The Lifesteps campus provides transitional housing for those that are undergoing a major life change. This could include escaping domestic violence, dealing with a substance abuse problem or other major events.

What impact did the program have on the specified target population and community?

- Impact on the community includes homelessness prevention providing safe, affordable housing for those undergoing a major life change.

Have there been significant trends over the past months regarding your target population?

- No

4. Results

Please describe the outcomes/outputs.

- Transitional Housing – Homeless families with children: MOU has been signed with Seton House for program support. Interviews are currently underway for primary Social Worker for the program.
- Current families waiting for assistance - 41

Please describe the method of measurement.

- Program Startup and Waitlist.

Please describe the performance results.

- The partnership between the agencies is solidified through an MOU and provides a continuum of care for families with children who are living in unsafe housing situations. This process has not, historically, been in place.

5. Program Results/Impacts (use bullets)

Explain how much (quantity) service the program delivered.

- Families are no longer afraid to take the opportunity to make a change when they are in unsafe situations as the program is available to provide a foundation towards independent housing. There are currently 41 families on the wait list. 17 housing units are available on March 1, 2019.

How well (quality) the services were delivered. For example, describe how individuals were better because of the service the program delivered.

- The Social Work program, Lease, House Rules and MOU have been developed and are in place. The furniture and incidentals have been purchased and are in the facility. The staff will be hired by 2/1/2020 and the program will open 3/1/2020.

What does your analysis of the past year's data tell you about what is happening to the impacted target population?

- As news of the program spreads, the partners are contacted on a daily basis for placement of those who are in need. It appears that one of the greatest needs is for single parents and victims of domestic violence.

6. Results Analysis

How could the program have worked better?

- The change in Directors at both Seton House and Interfaith impacted the timeline of the program.
- The CHA Director being out, for a car accident, has also had an impact on the timeline.

How will you address this?

- The new Directors have been briefed and are working closely with CHA to implement the program. The only effect is a delay to the timeline.

7. Population Served

In order to gauge the impact that your program has had on the community, it is important that we know how many people use your program. Please describe the method used to determine the number of individuals served with this funding.

- All participants are registered via an application process and a lease is in place.

Carter Napier, City of Casper Manager
His Honor, the Mayor and Members of City Council
200 North David Street
Casper WY 82601

Dear Carter,

Happy New Year! In the last six months we have had an increase in the number of power outages which has detrimentally affected our existing generator, freezers and refrigerators for our vaccines. Unfortunately, our current generator can no longer handle the power load that is necessary and as a result forced us to get a new freezer. Without a new generator- likely we will incur similar damage and need to purchase another one. On a daily basis, we stock over \$140,000 in the various vaccines we carry. We cover the spectrum of flu, pneumonia, child required vaccines, travel, cancer preventing vaccines and all vaccines needed from birth to elderly. We work very closely with our State partners, evaluating cost and report a 0% waste of our stocked vaccines. As a result, to ensure we continue to provide an optimal vaccine program we need to ensure that we can keep the vaccines at their required freezing or refrigerated temperatures. I am thrilled to be coming to the City Council Meeting on February 11th to discuss the successes of our vaccine program and demonstrate the return on investment.

In addition, we serve as the back-up for Emergency Command in the event of an emergency, we need to have power available no matter the circumstances. Both of our conference rooms are set up to become the Emergency Command Post if needed at a moment's notice if the other location is compromised.

I am writing this letter today to ask for financial support to help offset the cost of the generator.

The total cost of the generator is \$41,000. The County Commissioners have graciously agreed to purchase the much needed generator with the agreement of reaching out to the City of Casper and Homeland Security for support. However, due to limitations within our budget and working out our maximum potential we are not able to cover this cost. We have been able to work with one state partner to help offset the cost of replacement of the freezer that was lost and are working to develop plans to replace the older refrigerators that hold our vaccine but are less urgent.

I am happy to answer any questions that you have or happy to discuss further. Again, it is with great pleasure to be coming to present on February 11th to discuss our vaccine program.

Respectfully submitted,

A handwritten signature in blue ink that reads "Anna M. Kinder".

Summary

On July 1, 2012, the City of Casper entered into another agreement with the National Intercollegiate Rodeo Association (NIRA) to continue to host CNFR. This agreement expires on June 30, 2022.

The City of Casper will pay a sponsorship fee of \$19,000 for 2019. This fee is on a year over year escalator of \$500. In the final year of the contract in 2020, the City will pay NIRA \$20,000.

It should be noted, the City also pays the Casper Events Center to host the CNFR. This is to help the Events Center to recover their hard costs to host the event. This arrangement was put into place when Spectra took over the management for the Events Center. For 2020, this amount will be \$29,500. It too is on a \$500 per year escalator until CNFR is no longer hosted at the Casper Events Center. This is memorialized in a proposed amendment to the City and Spectra contract which will be before Council after Spectra gets done reviewing it.

Financial Considerations
None at this time.

CNFR HOSTING AND SPONSORSHIP AGREEMENT

THIS AGREEMENT REPLACES AND AMENDS THAT CERTAIN Agreement between the parties dated February 6, 2007 and is made by and between the National Intercollegiate Rodeo Association, Inc., a Washington non-profit corporation ("NIRA"), and the County of Natrona, Wyoming, and the City of Casper, Wyoming, jointly and severally (referred to herein as "HOSTS").

RECITALS

WHEREAS, NIRA is the sanctioning governing body of collegiate rodeo and the producer of the College National Finals Rodeo ("CNFR"); and

WHEREAS, HOSTS desire to act as the hosting city and county facility for the CNFR, and to obtain certain promotional benefits through such association.

NOW, THEREFORE, for and in consideration of the mutual promises set forth hereinafter, NIRA and HOSTS (jointly and severally) agree as follows:

AGREEMENT

1. **Obligations of Hosts.** In consideration of the rights and benefits provided to HOSTS as set forth in Paragraph 2 below, HOSTS shall:

A. provide to NIRA the use of facilities, personnel, equipment, dirt, and other accommodations as set forth in Exhibit A for the staging and production of the College National Finals Rodeo during each of the years covered by this Agreement. The dates of the Rodeo are set forth in the attached Exhibit G.

B. pay to NIRA the fees set forth in Exhibit B for the rights granted herein to HOSTS.

HOSTS shall perform their obligations through a "Casper CNFR Rodeo Committee," which shall be composed initially as set forth in Exhibit F. That Committee shall appoint a chief liaison to communicate and interact with NIRA, or several persons to perform specific interactive functions.

2. **Host Rights and Benefits.** Throughout the term of this Agreement, NIRA shall provide to HOSTS the rights and benefits set forth in Exhibit C.

3. Use and Protection of Trademarks/Service Marks and Other Intellectual Property. NIRA and HOSTS each acknowledge that the other owns certain names, trademarks, service marks, copyright and other intellectual property associated with their respective businesses and enterprises, which marks are specifically identified on Exhibit D (hereinafter collectively referred to as "Marks"), and each owns certain merchandising rights in and to the Marks, and all goodwill associated with or symbolized by the Marks. In marketing and promoting the CNFR and activities associated therewith, NIRA and HOSTS may make various references to each other and may display the Marks of each other which are identified on Exhibit D, as well as photographs or graphic images of the CNFR and related activities, and each party hereby grants to the other a non-exclusive, non-transferable license to use the Marks identified on Exhibit D during the term of this Agreement, subject to the following terms and conditions:

- A. The Marks may only be used for or in connection with advertising and promoting the CNFR and activities incidental thereto.
- B. Prior to the use of the Marks of the other party, NIRA and HOSTS shall agree in writing as to (1) the form and content of any promotional or advertising materials which bear the other party's Marks, and (2) the media in which such materials are to be used. Approval shall not be unreasonably withheld.
- C. Any party may impose reasonable conditions upon the use of that party's Marks, including, but not limited to, conditions for protection of its Marks.
- D. Upon termination or expiration of this Agreement, the license granted herein shall automatically terminate and the parties shall cease all use of the Marks of the other party as soon as practicable, but, in any event, within 30 days, unless the particular media which has been approved requires a longer lead time, in which case the use shall cease within 90 days.
- E. Neither party hereto will challenge or assist in a challenge to the validity of the other party's Marks, any registrations thereof or the ownership thereof. Each party will be solely responsible for taking such actions it deems appropriate to obtain trademark, service mark, or other protection of its respective Marks.
- F. Neither party may sell or otherwise distribute for sale any promotional materials or other merchandising or novelty items bearing the Marks of the other party without a separate written licensing agreement from the other party. The parties shall negotiate in good faith to reach such an agreement.

4. Relationship of Parties. The relationship of the parties shall be governed by this Agreement, and nothing contained herein shall create a joint venture, agency, partnership or employment relationship between the parties. Neither party shall have the right, obligation, or authority to incur any financial or contractual obligations on

behalf of the other, to direct or control the employees, agents, subcontractors, or volunteers of the other, or to control the manner or method utilized by the other party in the performance of its functions.

5. Indemnification and Damage.

A. NIRA hereby agrees to indemnify and hold HOSTS and its respective officers, directors, agents, and employees harmless from and against any and all claims or expenses of whatsoever nature (including reasonable attorneys fees) arising out of the actions of NIRA or its agents and employees in the production and promotion of the CNFR, or arising out of any breach by NIRA of any of its obligations hereunder.

B. HOSTS hereby agree to indemnify and hold NIRA, its officers, directors, agents, and employees harmless from and against any and all claims or expenses of whatsoever nature (including reasonable attorneys fees) arising out of the actions of HOSTS or their respective employees or agents in connection with the performance of this Agreement.

C. Prior to moving into the Casper Events Center or the Natrona County Fairgrounds the NIRA Commissioner shall conduct an inspection of the respective facilities with the Events Center Manager and the Fairgrounds Manager to identify any damage or safety concerns. HOSTS shall attempt to repair or mitigate said damage and safety concerns prior to commencement of the CNFR. After completion of each year's CNFR the NIRA Commissioner shall conduct a follow up inspection with the respective facility managers to identify any damage which may have occurred. NIRA shall reimburse HOSTS for such damage.

6. Insurance. NIRA shall maintain in full force and effect, at its own expense, liability insurance covering its activities in the production and promotion of the CNFR. The insurance shall be in an amount and with a company which are approved by HOSTS, and shall name HOSTS as additional insureds. Evidence of such insurance coverage shall be provided to both Natrona County and the City of Casper.

7. Release by Participants. Prior to allowing participation in the CNFR or related activities, NIRA shall obtain releases, in the form attached hereto as Exhibit E, duly executed by or on behalf of contestants, officials, and other participants who require approval of the NIRA to participate in the CNFR or related activities.

8. Term of Agreement / First Right to Negotiate. The term of this Agreement shall be from 12:01 a.m. on July 1, 2012, through Midnight on June 30, 2022, unless extended by written agreement of the parties or unless terminated sooner in accordance with the provisions set forth below. If HOSTS have faithfully performed their obligations under this Agreement, they shall have the right to negotiate for an

agreement to continue hosting the CNFR after the 2022 CNFR. Upon notice of the desire to continue hosting the CNFR, NIRA will not enter into negotiations with any other party for hosting the CNFR, and the parties agree to negotiate in good faith between August 1, 2021 and October 31, 2021 to reach an agreement whereby HOSTS may continue hosting the CNFR. If, at the end of that 90-day period, the parties have not reached an agreement satisfactory to both, NIRA shall be entitled to negotiate with any other party, regardless of whether the ultimate terms of agreement reached are the same or similar to those discussed with HOSTS, and HOSTS shall have the right to schedule the use of its facilities without regard to the CNFR.

9. Termination. Either party may terminate this Agreement as follows:

A. If the other party commits a material breach of this Agreement and fails to cure said breach within 30 days after written notice of the alleged breach is sent or delivered by the aggrieved party.

B. If the other party shall be unable to pay its liabilities when due, or shall make any assignment for the benefit of creditors, or shall file a petition under any federal bankruptcy statute, or file a voluntary petition in bankruptcy, or be adjudicated bankrupt or insolvent, or if any receiver is appointed for its business or property, or if the trustees in bankruptcy or insolvency shall be appointed under the laws of the United States government.

C. NIRA may terminate this Agreement, in its sole discretion, within six months following any CNFR in which NIRA's costs attributable to the CNFR are \$25,000 or more greater than NIRA's revenues attributable to the CNFR.

D. NIRA may terminate this Agreement at the conclusion of any year's rodeo season if local cash sponsorships do not exceed \$100,000 by May 1st preceding that year's rodeo season. A local sponsor is any sponsor with headquarters or its primary offices in the state of Wyoming and its sales are primarily made in the state of Wyoming. Twenty-five percent (25%) of any national cash sponsorship will be credited to the local cash sponsorship requirement if the national sponsor is qualified by the Wyoming Secretary of State to do business in Wyoming, has business offices and/or significant operations or facilities (such as manufacturing or distribution) in Wyoming.

10. Miscellaneous General Provisions.

A. Binding Effect. This Agreement shall inure to the benefit of and be binding upon the parties, as well as their respective successors in interest.

B. Assignment. Neither party shall assign or transfer its rights, nor delegate its obligations under this Agreement to any third party without the prior written approval of the other party, which may be withheld for any or

no reason, with the exception that such assignment may be made to a wholly owned subsidiary or an affiliated entity or venture in which it is at least a 51% owner.

C. Counterparts. This Agreement may be executed in counterparts that together shall constitute one and the same instrument which shall be effective when each of the parties has executed a counterpart.

D. Notice. Any notice, request, approval or consent under this Agreement to be given by either party to the other shall be given in writing, and shall be considered served when delivered in person, or three days after the date mailed by certified or registered mail, return receipt requested, addressed to the recipient at the address set forth below, or to such other address as the recipient may subsequently have furnished in writing to the sender.

E. Force Majeure. Neither party shall be deemed in default hereunder and neither shall be liable to the other if either is unable to perform its obligations hereunder by reason of any fire, earthquake, flood, epidemic, accident, explosion, strike, riot, civil disturbance, act of public enemy, embargo, act of God, any municipal, county, state, or national ordinance or law, any executive or judicial order, or similar event beyond the parties' control; provided, however, that no party shall be entitled to relief under this Section unless such party shall have given the other party reasonable notice of such event, and shall have exhausted all reasonable means of complying or implementing alternative means of compliance with its contractual obligations hereunder.

F. Governing Law. This Agreement shall be governed by and interpreted under the laws of the state of Wyoming.

G. Authority. NIRA and HOSTS represent and warrant, each for itself, that each, respectively, has full power and authority to enter into and perform this Agreement.

H. Survival. The provisions of this Agreement, and the obligations of the parties hereunder which, by their own terms, contemplate actions to be performed after termination hereof, including but not limited to the terms of this Agreement regarding payment of fees, Indemnification, Dispute Resolution, and Trademarks/Service Marks, shall survive the termination of this Agreement.

I. Governmental Immunity. Nothing in this Agreement is intended to waive the HOSTS' or its subdivisions' governmental immunity as provided in W.S. § 1-39-101 et. seq. To the extent that any provision in this Agreement could be interpreted to waive immunity, such provision shall be null and void, and this paragraph shall control.

J. Certification of Authority. The undersigned hereby state and certify that they have full authority to bind and obligate their respective parties to each and every term of this Agreement.

EXHIBIT A
Obligations of HOSTS

The HOSTS of the CNFR shall provide to NIRA the following benefits each CNFR year of the Agreement:

A. City of Casper will provide without cost to NIRA:

1. Facility. Rent free use of the Events Center Arena, all Events Center dressing rooms, the Events Center concourse, the back lot, and lot #11 for the days scheduled by the parties as reflected on Exhibit G, and the Summit Room, the Mormon Trail Room, Bridger Trail Room, and the Oregon Trail Room for the fourteen days of NIRA business during the CNFR. City will, in good faith, accommodate the reasonable needs of NIRA necessary to conduct a first class event.
2. Staff. Events staff to run the venue and handle the crowd, including:
 - Stage hands and AV Technicians
 - Ushers and Ticket Takers
 - Crowd Security
 - Crowd First Aid
 - Maintenance Staff
3. Box Office Services. The Events Center box office will provide all ticket services for a \$1.00 per ticket issued handling fee. Ticket back advertisement will be sold as any other sponsorship. The City will charge a ticket-handling fee of \$8.00 per order for purchases by mail, credit card or Internet. These fees may be raised by mutual agreement in writing between the City and NIRA without amending this agreement.
4. Trade Show Services. HOSTS will solicit trade show exhibitors and sell Events Center space. Price for exhibit space will be determined each year by NIRA and HOSTS. Proceeds will go to NIRA with NIRA paying the Events Center \$20.00 per 8' x 10' indoor space. The Events Center may charge exhibitors for extra equipment per the current Events Center reimbursable rates. Events Center will provide personnel and equipment to assist exhibitors in set up and break down.
5. The Events Center will withhold Wyoming State Sales Tax from the gross ticket sales and submit same on behalf of NIRA to the State of Wyoming. The Events Center will waive the Municipal Parking Fee for this event.
6. Provide year-round storage space for CNFR dirt. NIRA acknowledges and accepts that this dirt storage space is not covered. Sand will be added to the dirt each year as needed until the consistency of the arena floor is acceptable to NIRA.

7. City agrees it will not schedule any equestrian or rodeo events in the Events Center for 45 days before and 40 days after the CNFR without the approval of NIRA.

B. Natrona County will provide, without cost to NIRA:

1. All reasonably necessary facilities located on the Fairgrounds property, except campgrounds and contestant rodeo stalls. In the event of bad weather, the "Arena" will be available for riding. Maintenance of the surfaces of the facilities will be performed as needed by County staff. NIRA shall have the right to approve any other events scheduled on these premises during the 14 days of the CNFR, which approval will not be unreasonably withheld.
2. All panels, chutes, and other arena configuration equipment to be used throughout the interior of the Events Center for production of the CNFR event.
3. All labor necessary to erect and strike the chutes, panels, stalls, exercise arenas, and other elements of the configuration as may be reasonably needed to effectuate the paragraphs above (1 and 2).
4. The Road and Bridge Division of the County shall provide the machines, manpower and dirt for the production of the event at the Events Center, at appropriately scheduled intervals as per NIRA direction.
5. Appropriate man-hours and equipment for the transport and set up, floor preparation, rodeo oversight and arena tear down for both the Fairgrounds and the Events Center. (Indoor arena dirt at a minimum depth of 12" and the outdoor dirt/sand in the pens at a minimum depth of 5" shall be provided by County.)
6. Equipment to adequately feed and water stock at the Fairgrounds and the Events Center.
7. NIRA Commissioner and Fairgrounds Manager will conduct a "walk through" prior to arrival of rodeo stock and contestants' animals to determine overall condition of pens, chutes, etc. Both parties will sign off on a form to be developed by Fairgrounds Manager. After all rodeo stock and contestants animals have left the premises, NIRA Commissioner and Fairgrounds Manager will conduct a final "walk through" to determine if there is any damage to Fairground property.
8. Natrona County Board of Commissioners to make all arrangements for ambulance service and personnel for all CNFR events at the Events Center.

- C. The HOST shall appoint a CNFR Casper Executive Committee which shall be composed of a City Council Representative, the Casper Events Center Manager, a Board of County Commissioners' appointee, the Central Wyoming Fair and Rodeo representative, and a fifth member-at-large, which shall be appointed jointly by the City and County. (The Committee composition for the 2012 CNFR is set forth on Exhibit F). The function of the CNFR Committee shall be as follows:
1. Actively seek out local, state, and regional sponsors and other economic benefits in conjunction with NIRA.
 2. Seek local, state, and regional in-kind donations with the help and direction of NIRA.
 3. Promote, conduct, and arrange advertising and promotion of the CNFR as may be appropriate to effectively draw media attention and spectators to the event in accordance with direction on NIRA.
- D. NIRA will provide operating expenses for the HOSTS. HOSTS Committee will submit an operating budget for NIRA approval prior to October 1 each year. NIRA will not be responsible for any other or incidental expenses incurred by the City or the County without NIRA's express written consent.
- E. NIRA will provide or reimburse the HOSTS for providing the following equipment, in the event the equipment use is not donated:
- Forklift capable of working in dirt
 - Internet connection for the media
 - Office equipment for the NIRA office at the Events Center
 - Chain motors to hang the scoreboard and television broadcast equipment
 - Supplemental lighting for television and sponsor signage
 - Long distance phone service to the NIRA office at the Events Center

HOSTS will make their best efforts to obtain sponsors for the above services.

- F. HOSTS will oblige reasonable requests for accommodations for NIRA officials and guests including complimentary Fairgrounds horse stalls and camp spaces and a minimum of 42 hotel/motel rooms, VIP room passes and other necessary in-kind services and equipment. NIRA will specify such needs on or before May 1 each year.

G. Stall fees at the Fairgrounds will be \$40.00 per horse.

H. Camp spaces at the Fairgrounds will rent for \$125.00 per week.

EXHIBIT B
Sponsorship Fees

The HOSTS (City of Casper and Natrona County) each shall pay to NIRA the following sponsorship fees for each CNFR year of the Agreement. Such payments will be made on May 1 of each year as follows:

2011	\$14,500.00
2012	\$15,000.00
2013	\$15,500.00
2014	\$16,000.00
2015	\$16,500.00
2016	\$17,000.00
2017	\$17,500.00
2018	\$18,000.00
2019	\$18,500.00
2020	\$19,000.00
2021	\$19,500.00
2022	\$20,000.00

EXHIBIT C

Host Sponsorship Benefits at CNFR

The City of Casper and the Natrona County Commissioners shall each receive the following benefits in connection with each CNFR:

1. Area Signage. One large arena sign with appropriate message and logos. (Signage to be created by HOSTS in accordance with NIRA specification).
2. Program Ad. One-half page, black-and-white ad in the official program of the CNFR.
3. Collegiate Arena. Inclusion with sponsors in the tribute section of the NIRA newspaper "Collegiate Arena," CNFR special edition. Logos on disc and hard copy must be sent to the NIRA office by April 15 each year.
4. Live Mentions. A one-sentence mention during each performance of the CNFR by arena announcers (text may be provided by HOSTS).
5. Seating. Between them, HOSTS shall share 20 (10 City and 10 County) VIP box seats per performance of the CNFR.
6. VIP Privileges. Twenty (10 City and 10 County) passes to the VIP room before and after the performances, and passes to other events to which HOSTS and VIPs are invited.
7. Print Media Acknowledgements. Hosts' logos and/or names in appropriate print media advertising.
8. Tribute Performance. Special "Thank You" night mid-performance tribute to the City and County officials in stagecoach or similar mid-arena presentation.
9. Scholarship. In the event CNFR yearly revenues exceed CNFR yearly expenses, 10% of the net revenues will be contributed to the National Intercollegiate Rodeo Foundation to establish a permanent NIRF scholarship in the name of Natrona County and the City of Casper, Wyoming. The parties agree to work together to develop the details of this scholarship.
10. Concession. NIRA acknowledges and accepts that the City and its subcontractor's at the Events Center retain all rights to food and beverage sales including alcohol.

ACKNOWLEDGEMENT OF NIRA'S OWNERSHIP OF TELEVISION/MEDIA RIGHTS

I, the undersigned participant, hereby acknowledge that rodeo and livestock are inherently dangerous and represent a substantial risk of personal injury, property damage and/or death to all participants, including contestants, stock contractors, clowns/bullfighters, rodeo officials, laborers, volunteers, and others in the areas to which access by the general public is restricted, such as the rodeo arena, areas used for entering and leaving the arena, chutes, pens, warm-up areas, and other areas reserved and intended for use or access by participants or otherwise restricted for access by the general public. **I hereby specifically acknowledge that my participation in any capacity in the College National Finals Rodeo subjects me to significant risk of serious property damage, personal injury and/or death.**

Recognizing the above-mentioned risks, and in consideration for being permitted to participate in the College National Finals Rodeo events, on behalf of myself, my heirs, personal representatives, assigns, and other successors, **I hereby assume all such risks of property damage, personal injury, and death, and I hereby waive, release, and forever discharge the NIRA, the Casper CNFR Rodeo Committee, the City of Casper, the City Council of the City of Casper, Natrona County, the Natrona County Board of County Commissioners, the Casper Events Center, all CNFR sponsors, together with each of their directors, officers, employees, agents and other representatives, from and against any and all claims or demands which I may at any time have, whether such claims are now known or unknown, foreseen or unforeseen, which arise or result from, or are in any way connected with my participation in the College National Finals Rodeo or related events, whether caused by the negligence of any of the parties released or by any other cause.**

I hereby acknowledge and affirm that all right, title, and interest in and to intellectual property rights arising from the performance of all NIRA events, including the College National Finals Rodeo, is the exclusive property of NIRA, and NIRA has the full right to use my image and likeness as depicted in any form or medium reflecting my participation in the College National Finals Rodeo for any purpose in connection with the commercial exploitation of the media right herein acknowledged.

In the event of any litigation by any party released herein to enforce this Release, or by the NIRA to enforce the intellectual property rights of the NIRA, I agree to pay all costs incurred in connection with such litigation, including reasonable attorneys' fees.

I represent and warrant that I have read and understand this Release of Claims and Acknowledgement of NIRA's Rights, that it is a legal contract that deals with important legal rights, and that I have freely and voluntarily executed this document.

AMENDMENT TO THE MANAGEMENT AGREEMENT (“AMENDMENT”)

This Amendment to the Management Agreement (“Amendment”) is entered into on this _____ day of December, 2019, by and between the following parties:

1. The City of Casper of Casper, Wyoming (“City”), a Wyoming municipal corporation, 200 North David Street, Casper, Wyoming 82601.
2. Global Spectrum, L.P., a Delaware limited partnership d/b/a Spectra Venue Management (“Manager”), 3601 S. Broad Street, Philadelphia, Pennsylvania, 19148.

Throughout this document, the City and the Contractor may be collectively referred to as the “parties.”

RECITALS

- A. WHEREAS, on October 1st, 2016, the City and Contractor entered into a *Management Agreement* (the “Agreement”) for management of the Casper Events Center.
- B. WHEREAS, the parties want to memorialize the City’s annual sponsorship of the College Nationals Final Rodeo (CNFR) in the Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto agree by and between them to amend the Contract as follows:

1. INCORPORATION OF RECITALS

The recitals set forth above are hereby incorporated herein at this point as if fully set forth as part of this Amendment.

2. AMENDMENT TO CREATE EXHIBIT K “CITY SPONSORSHIP OF CNFR”.

Exhibit K is hereby added to the Agreement as follows:

Exhibit K – SPONSORSHIP OF THE CNFR

- A. Starting in 2020, The City of Casper will pay to the Manager the sum of twenty nine thousand five hundred dollars (\$29,500) for the sponsorship of the College National Finals Rodeo. Each year thereafter, a five hundred dollar (\$500) escalator will be added to the sum from the previous year. For example:

Year 2020	\$29,500
Year 2021	\$30,000
Year 2022	\$30,500

- B.** In return for the sponsorship payment, the Manager will provide area signage, a program ad, live mentions, seating, and VIP priveleges.
- C.** The yearly payment with the escalator will continue until the Agreement is terminated or the event is no longer held at the Casper Events Center, whichever occurs first.
- D.** Payment will be made following receipt of an itemized invoice, certified under penalty of perjury, from the Manager in conformance with the Agreement, and following approval by the Casper City Council. The invoice for payment must specify the correct amount due; that the Manager has performed the services rendered under this Agreement, in conformance with the Agreement, and that it is entitled to receive the amount requested under the terms of the Agreement.

3. RATIFICATION

The terms and conditions of the Contract, as modified herein, are hereby ratified by the parties and shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned duly authorized representatives of the Parties have executed this Amendment as of the day and year above.

Attn: Any Interested Reporter

I'm writing this to express concern about the treatment of some of our Senior Citizens in Casper.

I am a Senior myself and have lived in Casper all my life and have never seen such shabby treatment of our Seniors.

This concerns residents of a Mobile Home park on East First Street Lane in Casper (one block north of Ace Hardware on 2nd Street).

For decades this mobile home park has been owned and managed by a member of the Huber family. They have run a good business in managing this complex and have leased lot space to Seniors at an affordable and reasonable rate. Most, if not all of the residents, are on fixed incomes. Many are paying approximately \$350 per month lot rent (some who have been living there for years are probably paying a little less than that).

Last month the Huber's sold this mobile home property to a company doing business as Triangle Investments LLC (office headquarters listed on their new lease agreement as 1521 Nottingham, Casper, WY 82601). Within a week of the sale being finalized, the new owners issued new lease agreements to all of the occupants/residents. In the leases, the Senior residents are being notified that effective February 1, 2020 the new monthly lot rent under the new lease will be \$600.00. This represents over a 70% increase as compared to the previous lease. (NOTE: To make matters worse for the Seniors, there was no incremental increase spread out over time which would have lessened the blow...this was a one month notice of the huge increase they are expected to pay).

While a few might be able to afford this, the great majority of Seniors living there will be hard pressed to be able to afford this increase, as most are on fixed incomes. The new owners are almost doubling the rent.

It is acknowledged that no laws have been broken, and that this is a private for profit business enterprise. It does however make a reasonable person wonder what the impact would be if everyone's mortgage/lease were to increase under these circumstances.

This letter is also being forwarded to the Casper City Council and the Casper City Manager, not to cause trouble or additional work for anyone, but just a notice on how some companies are doing business in Casper and the impact their business practices will have on a selective segment of the population.

Sincerely,

A concerned Senior Citizen

I. Call Meeting to Order

Present: Nicholas Grooms, Shawn Houck, Will Reese, Charlie Powell, Tim Schenk, Pete Fazio, Tony Hagar, Ryan McIntyre

Staff: Kevin Hawley, Julie Schmitt, Brooke Montgomery

Guests: Brendan LaChance

Excused: Critter Murray

II. Public Comments: - N/A

III. City Report:

A. Charlie Powell:

- Nativity scene moved to Conwell Park, because there is a more overt secular display, which lessens the church state argument of the nativity scene on public property.
- Midwest is on schedule and is priority; did not get the federal grant.
- Suspended all talk of parking meters downtown, but there is talk about increasing fines on parking garage fees, as well as researching the technology to time stamp license plates in parking spots.
- Talk about reducing cost of parking garage for members who work downtown to increase use of parking garage vs. parking along the streets.
- We are getting close to a lease agreement with the state on the Goodstein lot. We would then designate an area for food trucks that would be permanent.

IV. Approval of October 2019 Board Meeting Minutes

Motion, Second, Passed (Nick Grooms, Pete Fazio) (All Approved)

V. Financials – Nicholas Grooms

- \$35,000.00 is the transfer from David Street to DDA to offset payroll expenses.
- We are one organization with 3 ledgers, to transfer funds from one to another. Tracking of funds is done as a whole organization. DSS is separate to track donations specific to DSS, parking garage is separate to track specific numbers each year.
- DDA – normal operations
- DCBA – Annual contribution for holiday Christmas campaign. Restricted to holiday season. Used for Christmas parade, Shop Small Business Saturday, marketing purposes for general downtown appeal.
- DSS received checks in October to fulfill the Hilltop pledge. Last installment of 3-year pledge.

Approval of November 2019 DDA, DSS & Parking Garage Financial Reports & Payments

Motion, Second, Passed (Shawn Houck, Tim Schenk) (All Approved)

VI. Director's Report - Kevin Hawley –

- Expenditures the last few months have been larger than normal including the chiller. It has been received and first installment of \$42,000.00 has been paid.
- Additional expenditure is the dasher boards from Kustom Concepts. Kustom Concepts is interested in sponsoring the dasher boards which will eliminate all or some costs (\$40,000 - \$50,000) on the dasher boards.
- The last 5-7 working days have been busy getting dasher boards, tree, lighting, chiller all ready. It ended up being more than what we typically spend on tools and equipment. This year, we were on our own to install

the tree as far as the construction side of it, and with that we had to purchase heavy duty tools at hardware stores.

- All volunteers and sponsors would appreciate recognition and thanks for their services. Charlie will send drafted letter over to Renee for letter from mayor thanking all volunteers.
- Reward contractors/donors for free skate night as soft opening of ice rink. We will combine the companies and offer free skating as a thank you.
- Could see a dramatic increase in parking garage fees by enforcing rules more. Happy to volunteer DSS staff to get deputized to write parking garage tickets.
- We had 4 board member submissions, we needed 2 seats and needed at least 1 of the 2 seats to come from within the district. The two highest scores in order were Kirsten Ellis followed by Deb Clark (business owner of Mountain West Evaluations).
- DSS rents out observation deck to those interested in a company holiday party and can be accessed while skating.
- Shawn Houck suggested to promote the observation deck for holiday parties with a Smore's + ice skating package.
- Applied for a 1 cent funding to buy mini tractor to do sidewalks and walkways to plow snow. Awarded \$14,500 to buy small tractor and attachment at Stotz Equipment. Total cost was \$15,500 so we came out of pocket \$1,000 and they sponsored the rest of the cost. Will put Stotes Equipment on side of tractor.

Approval of 2 candidates for recommendation to City Council

Motion, Second, Passed (Nick Grooms, Shawn Houck) (All Approved)

VII. Committee Reports –

A.) Executive Committee – Tim Schenk

B.) MARCOM Committee – Shawn Houck

C.) David Street Station – Jackie Landess

D.) Finance Committee – Nick Grooms

- Audit component of city is just wrapping up. State filing has been completed.

E.) Infrastructure – Tim Schenk

F.) Governance – Will Reese

- Recommendation for general policy to include language in red (on hand out form), visual and pledge recognition, naming rights, receipt of pledge, sponsorship.

Motion to Move to Executive Session to Discuss Legal Matters

Casper Downtown Development Authority 2019 Strategic Planning

IN ATTENDANCE FROM THE BOARD

Tim Schenk, DDA Board Chairman

Nicholas Grooms, DDA Board Treasurer

Peter Fazio, DDA Board Secretary

Ryan McIntyre, DDA Board Member

Tony Hagar, DDA Board Member

Will Reese, DDA Board Member

Shawn Houck, DDA Board Member

BACKGROUND

The Casper Downtown Development Authority (the DDA) began in the early 1980s and has overcome many challenges over the last 30 years. Prior to the vision of David Street Station, the DDA was involved primarily with beautification projects throughout the downtown area. In 2013, a plan was initiated to create a public gathering space where community members could come together in one place, and David Street Station was born. Phase 2 of David Street Station was completed in the spring/summer of 2018 and includes the Hilltop National Bank Splash Pad/Ice Arena, public restrooms, the skate rental offices, and an observation overlook. David Street Station connects the Old Yellowstone District to Downtown Casper.

EXECUTIVE SUMMARY

After the completion of David Street Station in 2018, as well as new members being added to the board, an opportunity was created for The DDA to re-center, refocus, and plan for future downtown development projects. Elevate Wyoming was brought in to facilitate a meeting and assist the board in determining a common vision; the meeting took place at Grooms and Harkins on November 20, 2019. In preparation for the meeting, conversations were held with the Executive Director, Kevin Hawley, as well as board members Nic Grooms and Tony Hagar to determine what the focus of the meeting would be. It was decided to concentrate on how future operations of David Street Station might be handled, as well as deciding on some other smaller projects.

PROCESS

Elevate Wyoming facilitated strategic planning, priority-setting conversations with board members to refocus and decide future efforts of the DDA. Ideas for projects were generated and next steps discussed.

1. Define WHY the DDA exists; the purpose it serves.
2. Define HOW our purpose will be fulfilled, key responsibilities of the Board.
3. Define our strategy and WHAT projects will help us satisfy our purpose.
4. Key phrases and words used: Energetic, Atmosphere, Beating Heart, Destination, Safe, Vibrant, Friendly, Strengthen the Core, Positive Image, Community Pride, Support Businesses, Add Value, #4theCore.

OUR WHY

The Downtown Development Authority grows the Downtown Core for a prosperous community.

OUR HOW

We work to grow:

REVENUE

BUSINESSES

PEOPLE

COMMUNITY
PRIDE

OUR WHAT

Our What is the heart of a strategic plan and includes priorities/projects identified with the most potential to advance the mission. It is an action list for the DDA in both the near and longer term. It includes actions the DDA can lead, as well as actions where the DDA can play an advocacy and supporting role to partner organizations, such as Advance Casper and The Lyric. The DDA has established credibility within the community and can help to drive true economic development. Continued planning will be necessary for the DDA to manage and guide changes.

POTENTIAL PROJECTS

Questions to consider:

- What is the project?
- What is the reason for the project (does it align with our purpose)?
- How will the project be completed (action steps)?
- Who will champion/own the project?

David Street Station Foundation/Endowment: fundraising for and management of David Street Station

- Establish David Street Station Foundation by Summer 2020
- Separate David Street Station operationally from Casper Downtown Development Authority
- Establish an independent Board of Directors for the Foundation
- Define the position of Executive Director (purpose, responsibilities, expectations, etc.)

Grow Businesses:

- Determine/Recruit/Create East Anchor; creating interest and continuous flow from David Street Station to the east end
- Extend boundaries
- Extend business hours
- Attract new retailers

Grow People:

- Create indoor event/venue space (possible location at the Lyric)
- Encourage developers to remodel existing vacant structures
- Alley network: create a plan for a network of creative outdoor gathering spaces that become destinations

Grow Community Pride:

- Install ornamental lights downtown on 2nd and Center Streets
- Create focal point downtown to create identity
- Create branding opportunities
- Educate Casper regarding what exists downtown

The impact of the program met the needs of 3,962 individuals within Natrona County July 1, 2019-

December 31, 2019. The program impacted the population served and the community through emergency services. Some of the program services provided include rent or deposit (to house or keep housed), utilities, birth certificates, Wyoming ID or driver's license, work boots, medical/dental and prescription assistance, gasoline vouchers, personal care bags, diapers and laundry vouchers. The program impacted the community by providing our community members with necessary emergency services. The program reduced the potential homeless for Natrona County. This is shown in the results table through the utilization of emergency services.

Trends- There is an increased number of individuals served. Our total 2019 number of individuals served is 6,760. This is an increase of +1,165 persons served. There continues to be an upward trend of emergency services needed.

Results

The results show that we were able to provide emergency services to 3,962 individuals during the first half of the fiscal year. We have seen an increase in requests of emergency services. The results show we are serving more individuals than in the proceeding years. Total number of individuals served in 2017 was 6,151, in 2018 5,595 and in 2019 6,760.

Performance- July1, 2019- December 31, 2019

Method of Measurement

CharityTrak (social service database) is utilized to track everyone who comes to Interfaith and the services they receive.

Program Results/Impacts

- 3,962 Emergency Service provided July 1, 2019- December 31, 2019
- Homelessness prevention through emergency services
- Provided for basic survival needs
- Promoted self-sufficiency and independent living through case management and supportive services.
- Program results indicate we are meeting our goals (homelessness prevention) through providing emergency services.
- Quality- Results indicate more families are staying housed through the utilization of Interfaith services. Housing is directly tied to a person's overall health.

Results Analysis

Based on the data, we are serving more individuals then in the recent past years. Our results show we continue to be able to identify individuals that need emergency services for homelessness prevention and basic survival needs.

Our ability to provide impactful emergency services continues to be hindered by lack of funding. Due to this hinderance we continue to have to turn individuals away. Based on the results we see a need to identify how many individuals we turn away. We will begin to track this number so that we understand the greater unmet need in the community.

We continue to address our financial shortfall through additional grant opportunities and reaching out to potential donors who understand and believe in the mission of interfaith. In addition, we are partnering with other agencies so as not to provide overlap services. We also partner with other local agencies that are willing to help support out mission.

Population Served

The method used to determine the number of individuals served is the same as our method of measurement. By utilizing a social service database (CharityTrak) we are able to track the number of individuals we serve and the services we provide.

1. Mission

The Self Help Center is a non-profit advocacy and support services agency for victims of domestic violence, sexual assault, stalking and elder abuse. The mission of the Self Help Center is to: Prevent-Shelter-Heal. As an agency, staff works toward this mission by providing crisis intervention, crisis counseling and crisis advocacy services to victims that have experienced high levels of trauma. The Self Help Center was founded in 1978 and started as a grass roots group. Since then we have transformed into an evidence based advocacy center to provide the following programs:

- Domestic Violence, Sexual Assault, Stalking and Elder Abuse Advocacy
- Prevention Education
- Emergency Shelter for Victims in Immediate Danger (max 30 day stay)
- 24 Hour Crisis Intervention through our hotline
- Support Groups for Domestic Violence, Sexual Assault, and Trauma
- Mental Health Counseling
- Substance Abuse Treatment

2. Financial Information

(see attached)

3. Program Significance

a. Using bullets describe the individuals who are the focus of your work and are influenced by your activities.

- We primarily serve individuals residing in Natrona County.
- We do receive and serve clients from other states and communities who are fleeing domestic violence, sexual assault or stalking.
- Our target population is anyone who is experiencing violence as well as providing education programs to our community's youth.
- Our advocacy and support services include walk-in clients and phone support to include our 24-hour crisis hotline. We receive 2500 calls each year through our crisis hotline. In addition, we provided services to over 600 walk-in clients.
- The demographics of this population are varied but generally, the majority of clients are between the ages of 24-39 and are in the lower economic status for income.
- We measure this through our case management system where we track the number of clients that receive case management for housing assistance. Our youth programs serve the population from pre-school children up to 18 years of age (approximately 20% have learning disabilities and have IEPs), pregnant teens and parents who have been abused, and/or have histories of being abusive; and those who are at high-risk for being abused or continuing the cycle of generational domestic violence and child abuse.

b. What impact did the program have on the specific target population and community?

- Our main offices, now located at 740 Luker Lane, have expanded to include office space previously used by WIC.

- Having the financial resources to support and equip an additional 3,000 square feet of office space meant that we had the ability to simultaneously and effectively conduct multiple group counseling services for our community. We now have ample office space for victim counseling and support.
- Our larger facility and resources meant we were able to expand of our services to include healthy relationship courses as well as a .5 Level Cannabis Class.
- Case management services have been expanded for those individuals in need of our Safe House services as well.
- We have been able to increase our services within the NCSD, offering more support to at risk youth as well. Our Prevention Coordinator has increased hours and group meetings within area schools. This year we have added three more support groups within the two major high schools for youth that have experienced violence in the home or have displayed violent tendencies themselves. We serve over 400 youth through our support groups. In addition, our Prevention Coordinator provides one-on-one mentoring for 12 youth that have been flagged as high risk for violence by their teachers, counselors, or parents.

c. Have there been significant trends over the past months regarding your target population?

- Our counselors and Prevention Coordinator are reporting an increase in the reported amount of violence within the homes of those who we provide advocacy and support to within our agency and the school district as well those our agency provides counseling for.
- There has been an increase in the volume of individuals who seek our services who are also seeking or need mental health or substance abuse treatment. Roughly 85% of our clients are suffering from co-occurring disorders with significant mental health and substance use and abuse.
- We have witnessed an increase in the number of native American DVSA victims who are coming to our center for support and services. On average we serve around three Native Americans and their families annually. In the last six months we have already served six.

4. Results

a. Please describe the outcomes/outputs.

While prevention and education is difficult to measure, we collected outputs on number of youth provided presentations (800 youth and 120 presentations), number of youth attending support groups (400 with 19 support groups), number of youth receiving mentoring, and number of youth participating in the CORE program (102).

Outcomes for this program include:

- 1.) Improved emotional health and self-awareness. Youth demonstrated heightened awareness of red flags and safety planning. This was measured through a post survey given to participants in the life skills class.
- 2.) High-risk youth have improved self-esteem, sense of self-worth, & self-reliance: learn positive coping skills, and experience reduced inter-personal isolation & depression. This was measured through a participant survey for our mentoring and support group participants as well as school anecdotal data and feedback on behaviors documented.
- 3.) Youth have improved understanding and appreciation of nature, conservation, self-reliance, resourcefulness and self-esteem. This was measured by a participant survey.

Through our Safe House we served 66 providing case management to 100% of those provided services.

b. Please describe the method of measurement.

We use the DVHMIS System to track services and case management for all our victims of crime. This system tracks all the outputs for number of clients served, demographics, services, and hour units of services provided. We also provide different client satisfaction surveys for our respective services. There is also a general victim services survey, counseling service survey, and safe house services survey. We are able to measure the quality of our service(s) based upon our assessments which define levels of satisfaction toward meeting specific needs as well as tracking their individual goal outcomes.

c. Please describe the performance results.

- Regularly participating youth learned coping skills, self-reliance, how to work with others and independently, and embraced tolerance and respect for themselves and others.
- From our exit client feedback survey 100% roughly reported having greater knowledge of resources available to them as well as reported feeling safer than before utilizing our services.

5. Program Results/Impacts (use bullets)

a. Explain how much (quantity) service the program delivered.

- 800 youth were provided presentations
- 120 Youth presentations were provided
- 400 youth participated in support groups within the school district
- 102 youth participated in our Core Program
- 66 were provided Case management at our Safe House
- 143 clients received advocacy and support at our campus
- 20 Clients received counseling at our campus
- 120 Clients received Substance Abuse and Use treatment at our campus

- 80 Clients received Healthy Relationships Education at our campus
- We provided 10 community collaboration meetings at our campus.

b. How well (quality) the services were delivered. For example, describe how individuals were better because of the service the program delivered.

With our funding we were able to work towards paying off our campus mortgage. Due to this we were able to expand and centralize our services. In addition, we now have group space to provide education and prevention classes, as well as facilitate community collaboration meetings.

One cent funding for our youth programs enables us to work towards our vision of eradicating the cycle of violence within our community. In addition, we are able to provide evidence-based prevention and education to those who are at risk. Our goal is to provide health habits and coping skills to create health community members.

Clients receiving case management through our safe house program are able to work a plan that includes safety planning, housing, employment, and self-care. Through One Cent funds we are able to provide emergency safe house services to those who are in immediate danger. We work to increase their protective factors and empower them to live safe and healthy lives.

c. What does our analysis of the past year's data tell you about what is happening to the impacted target population?

Through our data we are able to correlate the trends we are seeing with demographic data to confirm anecdotal data. We have been seeing an increase for those who are victims of violence also needing mental health and substance abuse treatment. In addition, we have seen a shift in our demographic data.

6. Results Analysis

a. How could the program have worked better?

Our center is committed to reducing the cycle of violence in our community. We recognize the need for victims to believe that if they seek help, our community will support them. We want to see an increase in the number of convictions of those charged with domestic violence and sexual assault as well as a reduction in victim blaming. In cases to date, we have not seen significant changes including high profile cases within our community.

b. How will you address this?

To address the above challenge our center has launched a multi-faceted campaign to reduce victim blaming and increase the number of guilty convictions through jury education and community awareness. The campaign launched in October 2019 and will continue through June 2020.

7. Population Served

a. In order to gauge the impact that your program has had on the community, it is important that we know how many people use your program. Please describe

the method used to determine the number of individuals served with this funding.

We use the DVHMIS System to track services and case management for all our victims of crime. 1. Mission

Please state the agency's mission/vision.

Mission: To help families thrive by efficiently procuring and distributing food and essentials to the hungry through our programs and partner agencies.

Vision: To make food security a reality for every Wyoming Family.

2. Financial Information

Please attach a one (1) page summary of the revenue and expenses for this program. Please include the amount you were allocated from One Cent funding.

WFBR invested \$293,520.21 to provide 1,500,641lbs of food to our Casper partner agencies. Please note that funds from this grant are allocated only for food to be used in Casper. Allocation for this same time period was \$2,500.

3. Program Significance

a. Using bullets describe the individuals who are the focus of your work and are influenced by your activities.

- Food insecurity has risen in Natrona County to 12.7%
 - from 12.4% just last FY
- Just last year, 10,260 Natrona County Residents were identified as food insecure
- Of the 3,400 food insecure children in Natrona County, only 51% are income eligible for federal nutrition programs
- The average cost of a meal in Natrona County is \$3.06
- Food insecure households are often the working poor
 - 37% had a member working for pay in the past 4 weeks
 - 63% had a member working for pay in the last 12 months
 - 19% are grandparents raising grandchildren who live with them
 - 21% had a member serving or had served in the US military.

- b. *What impact did the program have on the specified target population and community?*
- **Over 33% of the food WFBR provides in Casper goes to feed children**
 - **500,000 lbs for food (a total of 416,667 meals) since July 1st**
 - **20% of the food WFBR provides in Casper goes to feed citizens aged 60+**
 - **350,000 lbs for food (a total of 291,667 meals) since July 1st**
- c. *Have there been significant trends over the past months regarding your target population?*

Casper's food insecure families may be budgeting for food based on cost, not nutrition. Fresh fruits and vegetables are often crossed off household shopping lists because of their price. These items are often more expensive than processed foods (which are typically higher in fat, sugar, and sodium.) For many in our target population, it is not a question about knowing what healthy foods to choose... but rather about not being able to afford or access healthier options.

4. Results

- a. *Please describe the outcomes/outputs.*

Fighting Hunger Feeding Hope is WFBR's main distribution program. With the assistance of this grant, 1,500,641 pounds of food was sourced and distributed in Casper from July 1 – December 31, 2019. With "1 meal" equal to approx. 1.2 lbs of food, this provided 1,250,534 meals over this time period. That's enough for 6,900 meals per day in the City of Casper.

- b. *Please describe the method of measurement.*

WFBR evaluates progress towards meeting our strategic goals with monthly reviews of total pounds of food distributed through our programs, with regular reviews and reporting from our partner agencies, and with comparison to the organizational performance to budget.

- c. *Please describe the performance results.*

Monitoring pounds distributed allows WFBR to see where and what kind of food is being distributed. This allows us to adjust services accordingly. One of our most critical goals is to insure that at least 50% of all food lbs distributed are fresh fruits and vegetables.

5. Program Results/Impacts (use bullets)

- a. *Explain how much (quantity) service the program delivered.*

- **1,250,534 meals (6,900 a day) were provided to those in need in Casper**
- **These nutritious foods were provided through our 31 Casper partner agencies**
 - **over 37 Casper programs**

- b. *How well (quality) the services were delivered. For example, describe how individuals were better because of the service the program delivered.*

- **By increasing the nutritious foods made available to Casper families in need, we are all helping to improve the health of this population.**
- **When adults eat healthfully, they are better able to work**

- If children have access to healthy, nourishing food, they are more ready to learn, grow and succeed.
 - Only when older citizens eat properly, their medications work correctly.
 - By working with our local partner agencies WFBR can focus on obtaining the most needed food items and distributing them to those in need through a quick and efficient distribution model
 - Shelf stable items rotate approximately every 6 days
 - Fresh food rotate approximately every 1.5 days
 - Produce and protein can be purchased by WFBR to supplement donated items
 - Allowing our agencies to provide the best selection of food choices
- c. *What does your analysis of the past year's data tell you about what is happening to the impacted target population?*
- While Wyoming's economy has been stalled for a time now, the mine closures and the power plant closures are not encouraging.
 - More and more Wyoming families are experiencing what it is to be a part of the working poor.
 - Many of them in Casper are learning for the first time what it is to be food insecure.
 - Fortunately, our partners are on the front lines of fighting hunger in Casper.
 - Their data is still coming in and will be calculated at the end of the fiscal year.

6. Results Analysis

a. *How could the program have worked better?*

- The greatest challenge is ensuring that our support systems are in place for our Casper partners when they need them most.
 - Public referrals
 - Food safety training
 - Capacity building
 - Coordinated canned food drives
 - Volunteers
 - Monitoring
 - Grocery rescue opportunities
- By providing free food to our partners, we enable them to use their donation dollars to purchase needed foods at \$.19 a pound from us, or from wherever they desire.
- Serving as support training in social media, fundraising, marketing and networking.

b. *How will you address this?*

While Wyoming Food Bank of the Rockies continues to reach tens of thousands state-wide and thousands in Natrona County, we also have an impact on our Casper neighbors as well. We are refining and improving our operations and embarking on some new projects and partnerships that will help us serve everyone, including Casper.

Wyoming Food Bank of the Rockies is well-positioned to leverage our network and resources to increase system-wide capacity and is looking forward to embarking on new strategic directions. We are creating a new three-year strategic plan, and have gathered substantial input from community partners, board members, staff, financial

donors, and food donors. The input process has been extensive and incredibly illuminating.

Aside from the food component of our work in Casper, our plans are as follows:

- Increase distribution of Food Supplemental Boxes to Casper Seniors.
- Increase Partner Agency interactions in Casper increase in Partner site visits.
- Hold 4 trainings in best practices for project partner agencies' staff.
- Hold two trainings in best practices for project partner agencies' volunteers.

7. Population Served

In order to gauge the impact that your program has had on the community, it is important that we know how many people use your program. Please describe the method used to determine the number of individuals served with this funding.

This grant was used to purchase food for distribution to those in need of assistance throughout Casper. Funding from this grant has helped WFBR provide over 1,500,641 lbs of food (1,250,534 total meals) across our 31 Casper partner agencies.

Wyoming Food Bank of the Rockies does not require partner food pantries and programs to track demographic information, currently. WFBR and its partners provide food on a self-declaration of need. This is considered a best-practice within the industry (with the exception of Federal Programs) as it is a very humbling experience to ask for help. Especially in Casper, Wyoming. We strive to provide assistance to all who need it and not allow feelings of shame to hinder someone from using our services. This is all part of the food advocacy and food injustice movement.

We would love to show you how well this works! Just give us a call and we will schedule a tour and presentation on any aspect of food insecurity that interests you.

1. Mission

Please state the agency's mission/vision.

To provide emergency shelter, crisis intervention, and group home services to youth and their families.

2. Financial Information

Please attach a one (1) page summary of the revenue and expenses for this program. Please include the amount you were allocated from One Cent funding.

3. Program Significance

a. Using bullets describe the individuals who are the focus of your work and are influenced by your activities.

- Crisis Shelter
 - Parents, foster parents, grandparents, and other guardians
 - Youth and children who are:
 - 0-17 years of age
 - Homeless or have nowhere else to go
 - Suffering from abuse/neglect
 - Struggling with behavior issues
 - Dealing with family conflict
 - Awaiting other placement (jail, psychiatric treatment, etc.)
 - Suspended from school
- Group Home
 - Parents, foster parents, grandparents, and other guardians
 - Youth and children who are:
 - 12-17 years of age
 - Court ordered/appointed
 - In need of structure and support

b. What impact did the program have on the specified target population and community?

- Crisis Shelter
 - 365 days a year, our crisis shelter provides emergency shelter services to Casper's youth and children. In an average month 52 youth receive crisis shelter services, of those 52 youth:
 - 21 are struggling with behavioral, mental, and substance use issues
 - 13 are staying for safety from abuse/neglect and family conflict
 - 12 are staying because they have nowhere else to go

- 6 are staying as an alternative to being placed in jail
 - The YCC Crisis Shelter is the only crisis shelter in our community for youth.
 - Providing these services:
 - Offers safety to Casper's youth
 - Keeps youth from being incarcerated
 - Provides support to families when a youth is out of control
 - Offers shelter to youth who have nowhere else to go
- Group Home
 - Our group home program provides services to youth and their families after youth have been court ordered out of their home. The group home program works with the youth and family to provide stability, structure, education, support, counseling services, and other unique services that assist the youth to successfully reunify with their family or to transition to independent living.
 - The YCC Group Home
 - prevents out of community placement (out of community placement can be difficult for most families due to a lack of access to support services when the youth returns home)
 - keeps kids from being placed into a higher level of care, such as juvenile detention, boys or girls school, and residential or psychiatric treatment (serving youth at the group home level can prevent future need for higher level care which is more expensive, often out of our community, and provides less support for the family)
 - serves as a step-down program when youth are reentering the community after they have been placed in a higher level of care; which supports the family and youth to achieve success
- c. Have there been significant trends over the past months regarding your target population?
 - Crisis Shelter
 - We continue to serve youth with high level of social, emotional, and behavioral health needs.
 - Group Home
 - Due to State and Federal changes we continue to see a decrease in Group Home placements.

4. Results

- a. Please describe the outcomes/outputs.
 - Crisis Shelter
 - 97% of families report satisfaction with services
 - 90% of families received referrals to other community supports
 - 87% of youth successfully transitioned home (to foster home or family home)
 - Group Home
 - 100% of group home residents participate in weekly life skills groups which focus on career and skill building, healthy relationships and boundaries, and nutrition and cooking
 - 100% of group home residents' case plans had specific educational goals which are supported by the center staff
 - 60% of group home residents returned home, or to a lower level of care
- b. Please describe the method of measurement.

All tracking is done through intake process, case manager reporting, grade and attendance tracking, depart surveys and processes, and monthly tracking attendance for meals, case plans, and groups.
- c. Please describe the performance results.
 - Crisis Shelter
 - The highest priority for the YCC crisis shelter is to be available to provide a safe place for any youth who needs it. By having a high satisfaction rate, we know parents and youth are more likely to utilize this service again when youth need safety. Additionally, this means that through our crisis shelter services we are meeting the needs of the youth and families we are serving

- It is also important for our crisis shelter to provide support to youth and their families; we seek to identify the needs of the youth and their family, so we are better able to support a successful reunification. After identifying the needs of the family and youth we provide referrals and other access to community resources that can support the youth and their families. This assists us to help youth to return home safely and successfully
- Group Home
 - It is imperative for youth in our group home to learn many of the most basic living, educational, and relationship skills. The priority of the group home is to provide stability, support, and training that helps youth and their families be successful in their future living. Every youth in our group home program must attend weekly life skills group or work on other life skills, for example: some youth may be participating in outpatient substance abuse treatment, working their own job, or working with another program to build their life skills. These skills are essential to success as youth transition home. Youth are also required to set educational goals. Research shows that youth who are in school, with passing grades, are less likely to engage in criminal or other unhealthy activities
 - Another priority of the group home program is to assist youth to be successful in returning home to their families. This past fiscal year, 6 of 10 youth who have departed from the group home program have returned to their home or a lower level of care. This is significant as most of the youth and families we work have had dysfunctional behavior patterns that result in the youth being placed out home. Successfully returning home means the families and the youth have worked to establish healthy boundaries, improve relationships, build structure in their home, and work other case plan goals that assist them in having a successful family unit.

5. Program Results/Impacts (use bullets)

- a. Explain how much (quantity) service the program delivered.
 - Crisis Shelter
 - 314 youth served
 - 55 – 8-12 years of age
 - 259 – 13-17 years of age
 - 174 Male
 - 140 Female
 - 17 report homelessness
 - Average age 14.83
 - 1,360 nights of service

 - 367 family & individual support/crisis meetings
 - 48 safety plans developed
 - 417 hours of homework help provided
 - Group Home
 - 14 youth served (7 new intakes this fiscal year; 7 from previous year)
 - 8 Male
 - 6 Female
 - 3 – 8-12 years of age
 - 11 -13-17 years of age
 - Average age 14.5
 - 934 nights of service
 - Average length of stay 88 days
 - 2,005 meals
 - 113 hours of group counseling
 - 102 family & individual support/case plan meetings
 - 86 case goals achieved
 - 299 hours of homework help
 - 7 safety plans developed

- \$601 saved by departing youth (from chore/personal finance program)
- b. How well (quality) the services were delivered. For example, describe how individuals were better because of the service the program delivered.
 - Crisis Shelter
 - Responses from families after their youths' crisis shelter stay
 - "gave me an option instead of JDC. This experience as a parent was the best we have had with YCC. This is a great alternative for younger kids than to go to JDC."
 - we "set goals, worked on getting set up with other places and having a fall out plan"
 - "the one on one counseling with parents and resources on further help"
 - "counseling through issues with our son and a break"
 - "staff are very friendly and involved in his recovery and release as well as ideas and suggestions on his future and how to stay on the right path so not to return to YCC or any other facility"
 - Group Home
 - Reported improvements from youth
 - Increased maturity
 - Helped stay in school
 - Felt supported
 - Set and achieved goals, that have never been set/achieved before
 - Developed skills needed for future
 - Built positive relationships and felt supported by staff
- c. What does your analysis of the past year's data tell you about what is happening to the impacted target population?
 - Crisis Shelter
 - According to current utilization trends, we will likely serve more than 630 youth and children in our crisis shelter this year,
 - This means we are a needed resource in our community
 - There continues to be families in our community who need support from crisis situations
 - Families are reporting feeling supported by the current crisis shelter services
 - Families in our community are struggling with crisis and need support
 - Group Home
 - According to current utilization trends we are likely to see a decrease of group home placements this year, from previous years
 - Fewer youth are being placed in group settings due to changes at state, local, and federal levels
 - Youth completing our group home program are leaving with higher levels of skills, abilities, and motivation to be successful

6. Results Analysis

- a. How could the program have worked better?
 - Crisis Shelter
 - We are consistently seeking ways to better serve the youth and families we work with. Some of the feedback we have received for improvement include:
 - Increasing the length of stay on our crisis shelter
 - Providing direct access to DFS
 - Building in more supports and consequences to the youth we serve
 - Group Home
 - Some of the feedback we have received for improvement include:
 - Increased consistency between team members
 - Increased trauma-informed trainings
 - Building family programming into the group home program
- b. How will you address this?
 - Crisis Shelter
 - We are addressing the following:

- Length of stay – Over the past year, we have focused on meeting the needs of each individual and their families. This has included working with families to better measure the need of length of stay. In the past we have discouraged more than 24-hour stay; currently, our case managers work with each family individually to determine what is needed and how we can help, which determines the length of each child's stay.
- Direct access to DFS – While we are not able to meet this need specifically, we have been working to improve communication between our team and our local DFS office, which we hope will assist families and youth. We have begun to hold regular monthly meetings with DFS and YCC team, to discuss practices and procedures so that we can work more fluidly together to support the youth and families in Casper.
- More supports and consequences – Over the next year, we hope to build a program for our crisis shelter that builds in supports and consequences in a more structured and outlined way. Our vision for this program would be a system that would provide support to youth that focuses on their level of need and concern, which would better assist families.
- Group Home
 - We are addressing the following:
 - Increased Consistency, Trauma Informed Training, and family programming – YCC leadership spends much time working to train our team on best practice models, YCC standards and expectations, adolescent development, safety, and many other standards. All team members have been trained in Love and Logic, which is the curriculum we have been using for the past two years to build consistency within our team. This January 2020, we will be purchasing a Love and Logic curriculum that's focus is for working with adolescents who have experienced trauma. YCC team members will be trained using this curriculum; additionally, we will be offering this as a parent training for families in our group home and wraparound programs.

7. Population Served

In order to gauge the impact that your program has had on the community, it is important that we know how many people use your program. Please describe the method used to determine the number of individuals served with this funding.

- All individuals served by the Youth Crisis Center, Inc. complete an intake packet and consent for services.
