CRAFT FAIR COMING SOON! FRIDAY & SATURDAY, NOVEMBER 11 & 12, 2016 CASPER EVENTS CENTER

The biggest Craft Fair in Wyoming is coming soon! Don't forget to join us at the Community Recreation Foundation's Annual Craft Fair. The Craft Fair will be held Friday, November 11, from 3:00–8:00 pm and Saturday, November 12, from 9:00 am – 4:00 pm at the Casper Events Center. Browse through over **200** unique booths offering a variety of crafts including pottery, wood turned items, tole painting, candles, gem stones, hand-sewn items, jewelry, crochet and knit items, baked goods and candy. Admission is free: donations to help support the efforts of the Community Recreation Foundation are appreciated. Strollers are welcome in the wide shopper friendly aisles and concessions and coat check are available throughout the event.

Proceeds from the craft fair benefit the Community Recreation Foundation's scholarship program that provides recreation opportunities for financially disadvantaged youth and senior citizens and free special events for everyone.

For more information, please call the Casper Recreation Center at 235-8383 or email Lori at lspearman@casperwy.gov .
