## Highland Cemetery to Close Conwell Gate

*Permanent gate closure due to safety concerns*

**Casper, Wyoming (November 3, 2016)** – On Friday, November 4th, City crews will permanently close the cemetery gate located on Conwell Street over safety concerns. Due to a hill, vehicles exiting and entering the cemetery through the Conwell gate have difficulty seeing northbound vehicles on Conwell Street. The closure is not expected to affect public access to the cemetery.

The public may access the cemetery using the gate located on 4<sup>th</sup> Street by the CATC office or by using the main cemetery gate located next to the cemetery office on 12<sup>th</sup> and Lowell Streets.

For questions or additional information, contact Mike Leyba.
