**Police Department**

## Fireworks Festival 2016

Fireworks Festival 2016 will be held Monday, July 4th on the grounds of the Casper Events Center.

The Casper Police Department would like to remind the public that it is imperative to park in designated spaces only. There is **no parking** along I-25, along Poplar Street north of I-25, or along Events Drive and East Road near the Events Center grounds. The Casper Police Department will be enforcing these no parking areas to reduce traffic congestion in the area and improve traffic flow following the fireworks.

In an effort to improve traffic flow following the event, the following traffic pattern will be in place:

- 1) The west exit from the Events Center grounds will ONLY exit west on Events Drive.
- 2) The east exits from the Events Center grounds will ONLY exit to Amoco Road via East Road.
- 3) Traffic will only be allowed east on East Road.
- 4) No left hand turns will be permitted from East Road to Amoco Road.

As in years past, please expect significant traffic in the area before and after the fireworks. We ask that drivers exercise patience and operate vehicles appropriately and safely.

The Casper Police Department wishes everyone a happy and safe 4<sup>th</sup> of July.
