Mayor Released Results of Fraternal Order of Police Survey

Survey results were released prior to Council Meeting on April 4, 2017

Casper, Wyoming (April 14, 2017) – The results of the survey conducted by the Fraternal Order of Police were released by Mayor Humphrey prior to the Council Meeting held on Tuesday, April 4, 2017.

All members of Council were made aware of the survey and received a copy of the results before the beginning of the meeting last Tuesday. City Manager McDonald and Chief Wetzel were unavailable at City Hall to receive their copies. Following that night's meeting, the mayor gave copies to media representatives who were present.

"My goal with Council and our community is to cultivate open and honest communication surrounding every issue we face. Transparency is key if we are to address things head-on," stated Mayor Kenyne Humphrey.
