

# HOLIDAY SQUARE

Each year Conwell Park transforms into a holiday wonderland. From the windows of Wyoming Medical Center, patients and their families enjoy the beauty of the holidays and, in the park below, children play, couples take romantic walks, and families create lasting memories. The park is part of Casper's identity and a holiday tradition. Keep Casper Beautiful invites you to become part of that tradition.

All sponsorship dollars are used to pay for new LED lights, displays, programmable features, and other lighting needs. Help us make Holiday Square bigger and better!

The Holiday Square lighting will take place on Sunday, November 20, 2016 . The Wyoming Medical Center Foundation will host their annual Reindeer Run before the lighting at 5:00 p.m. The light show will remain until the end of December. The event is free and is hosted by the City of Casper and Wyoming Medical Center.

### Every sponsorship dollar goes to lights

Many of the lights the City uses for Holiday Square are at their end of life. Your sponsorship dollars will help replace them with new LED lights, displays, programmable features, and other lighting needs. Help us transform Conwell Park into Holiday Square, a light show and display.
