

IMPROVEMENTS TO GARBAGE COLLECTION SERVICES BEGIN MARCH 1, 2016

Beginning March 1, 2016, extra garbage collections are changing to meet the needs expressed by a majority of Casper residents. Every Casper garbage customer receives two extra collections a month from March through January. Now, one of the extra collections from March through October will be solely for branches; both November collections will be solely for leaves; and both extra collections in December and January will be solely for trash. There is no extra collection in February.

For information on your extra collection schedule visit www.casperwy.gov, call (307)235-8246, or find your extra collection schedule on the reverse side of this document.
