Fire crews on scene at Mt Hope Lutheran Church on September 16, 2015. Occupants reported smoke in the building and evacuated. Crews found that a light ballast malfunctioned causing the smoke.

Casper Fire-EMS Activity Report September 30, 2015

Stair climb commemorating those lost on 9-11. Crews from several agencies climbed a minimum equivalent of 110 floors of the drill tower, the same height as the World Trade Center. We are ever mindful of all who sacrificed that day and ever since.
