The civil penalty for a third and succeeding nuisance alarm in any calendar year shall be \$100.00 per occurrence, in addition to any fees imposed pursuant to Chapter 15.40.110 of this code. Any nuisance alarm which results from a failure to take required corrective action to prevent such recurrence after notice thereof by the Community Risk Reduction Division and/or any nonpayment of any nuisance alarm penalty may result in the

Community Risk Reduction Division providing written notice ordering the disconnection of such alarm until the required corrective action or payment of penalty has been made; provided, however, that no disconnection shall be ordered on any premises required by law to have an alarm system in operation.
