ADDENDUM NO. 2

REQUEST FOR PROPOSAL

2019 TRANSIT BUS ACQUISITION
16 PASSENGER BUS
RFB No. FTA 19-01

for the City of Casper, Wyoming

ADDENDUM DATE: April 29, 2019

This addendum to the Request for Bid is hereby made a part of the Contract Documents for the above titled project, to the same extent as though it were originally contained therein.

To all vendors:

One potential vendor who may answer our recently issued request for proposals for 16-passenger transit buses has submitted a request for clarifications of our specifications and requests for Approved Equals. The City is supplying all vendors with the attached spreadsheet detailing those clarifications and answering the request for Approved Equals.

TECHNICAL SPECIFICATION SECTION

<p align="center">pg17</p>	<p align="center">Requesting snow tires on rear of unit</p>	<p align="center">(AE) for use of OEM</p>	<p>Not Approved. Due to winter weather conditions in Casper, the City will only accept an open tread Mud and Snow rated tire. The City understands that the tire supplied may not be the same brand as OE supplied but will accept any premium manufacturer's M& S tire provided the tire supplied is the same size, ply rating, load rating, and wear rating as the OE tire. Tires rated for All Season service are not acceptable. Successful supplier may contact City after award for brand suggestions.</p>
<p align="center">pg19</p>	<p align="center">Undercoating warranty- requesting 5yr</p>	<p>This is covered under our 5yr/1000,000 miles as long as maintenance instructions are followed. See warranty attached.</p>	<p align="center">Body manufacturer's warranty is acceptable</p>
<p align="center">pg20</p>	<p align="center">Requesting drivers running brd. (Go Rhino or approved equal)</p>	<p>(AE) to use ours drivers running board. Ours is aluminum and heavy duty. See attached.</p>	<p align="center">Approved as equal. The body manufacturer's offering is acceptable for this specification</p>
<p align="center">pg20</p>	<p align="center">Requesting for height of steps to be 8.5"</p>	<p>(AE) for height of steps to match ours 8.63"</p>	<p align="center">Approved as equal. The body manufacturer's offering is acceptable for this specification</p>

pg20	Requesting entry door access to be hinged	(AE) for entry door access to be removable	Approved as equal. The body manufacturer's offering is acceptable for this specification
pg21	Requesting step tread and riser to be ribbed rubber	(AE) For step to be ribbed and riser to be smooth	Approved as equal however the smooth riser must be slip resistant flooring material.
pg21	Grab bars on all mod panels	Clarification on what is considered a grab bar	Grab bar = Hand Rail
pg21	4-step entry or raised floor only		Under a separate Addendum - Delete Flat Floor
pg22	Requesting 4x10 interior mirror	(AE) for 6x9 or 6x16 interior mirror	Approved as equal. 6X9 or 6X16 is acceptable
pg23	Requesting USSC drivers seat (no OEM seat and base)	Freedman Shield. OPT	Approved Equal
pg23	Requesting exterior mirrors to have twist lock mechanism to remove glass	Clarification or (AE) to use our Rosco Mirrors	Approved Equal
pg4	flip seats over w/c placement on driver side	Clarification	Three step Foldaways to be installed in Mobility Aid area
pg24	rear seat on passenger side should be flip up for heater under seat	flip seats on both sides? Clarify	Install Three Step foldaways over heater placements
pg26	Requesting 2 heaters with rubber or nylon insulators between floor and base		Due to Casper's severe winter weather we are specifying two heaters, one near the center of the passenger compartment and all on rubber insulators to limit vibration and noise.
pg31	4 surveillance cam with hardware, software, videos, complete installation instruction shipped loose.	Video Surveillance system will need SOR or dealer will provide? Prewire?	To be installed by body manufacturer
pg32	Motorola radios purchased locally	Dealer install? Need prewire?	Prewire only. City will obtain radio and arrange installation locally

pg32	dash mount electric clock, am fm radio	Radio comes with clock.	The City requires a separate, large number digital clock in the driver area. Radio clock is not sufficient to meet this specification.
pg33	Tilt steering	Standard chassis option	Chassis manufacturer's supplied tilt column is acceptable.
	parts manual Power train-5yr/100,000	USB Ok? option Chassis warranty only 5yr/60,000	All manuals may be supplied on USB Memory. Please supply two (2) of each manual. Chassis manufacturer's standard warranty is acceptable. Please quote extended chassis warranties for optional consideration.
