Swimming Lessons

Parent-Child - Parent-Child aquatics familiarizes young children to the water and prepares them to learn to swim with the aid of their parents. This course gives parents safety advice and techniques to help orient their children to the water. **Ages 6 months - 3 years**

Preschool - Preschool is the first level of skill building after Parent-Child. Students learn to feel comfortable and enjoy the water safely with the aid of swimming instructors. Participants begin the fundamentals of aquatic skills. **Ages 3-6**

Level 1 - Designed for children who have never taken lessons before or are still uncomfortable in the water. Elementary skills are taught to help participants feel comfortable in and enjoy the water safely. **Ages 5+**

Level 2 - Designed for children that are already comfortable in the water and have learned basic skills. In this level children will build on the fundamentals of future swimming strokes on their front and back. **Ages 5+**

Level 3 - Designed for children who can swim on their own. In this level children will learn rotary breathing and the elementary backstroke and start to improve their stroke technique. **Ages 5+**

Level 4/5 - Designed for children who have learned front crawl and are ready to learn and refine all other strokes. In this level children gain stamina while continuing to work on stroke technique. The strokes learned in these levels are breaststroke, back crawl, sidestroke, and butterfly. **Ages 5+**

Fitness Classes

Improve health and fitness while enjoying fun, challenging workouts. Register for a full session, purchase a Fitness Punch Pass or pay per class. **Try out any of our fitness classes free the first time.** It is strongly recommended that you consult your physician before beginning an exercise program. **No classes on July 4 or 5, no Running Club on July 6.**

Spin Express - Indoor cycling classes focus on endurance, strength, high-intensity intervals and recovery. Enjoy energizing music while burning calories in the F.I.T. Room. Instructor: Barbie Harrison

Mat Pilates for Beginners - Enjoy better posture, balance, flexibility, core strength, injury prevention, and pain relief as well as improved lung capacity and increased mobility in this low impact class. Instructor: Patty Kempf

Ballet Barre - Exercise inspired by traditional barre work in ballet helps participants gain strength and flexibility while toning the body. Light weights and floor work are included. Wear non-restrictive, form-fitting clothing and ballet slippers, foot pads or bare feet. Instructor: Lucia Hill

Trapeze Yoga - Trapeze Yoga combines traditional yoga poses, Pilates and inversion with the use of a harness and support. Benefits include building functional core strength, flexibility and balance while helping to relieve back pain by naturally hanging upside down from your hips, and stretching and lengthening the spine. Designed for beginners through advanced practitioners, taught by Lori Burns. *This class can sometimes cause dizziness for those that are not used to being upside down or suffer from motion sickness. Please consult with your doctor before joining this class if you have any health conditions or injuries that may put you at risk in this class.*

Evening Yoga - Also known as "flow yoga," Vinyasa encourages a seamless transition from one pose to another, creating a harmonious and continuous flow. This practice cultivates strength, flexibility, balance, and mindfulness. Instructor: Lori Burns

Morning RIP - RIP is a 60-minute barbell program for men and women of all ages and fitness levels. Matching movement to music and using traditional strength training allows participants to work at their own level while toning muscles and burning calories. Instructor: Mary Oster

Weight Training - This strength training class is for anyone who wants to have fun and build muscles in a group environment. Students will utilize dumbbells, body bars, and various resistance machines to condition the entire body. Join new instructor, Caleb Smith, and improve technique and build workout plans that intentionally condition the entire body with minimal risk of injury.

Running Club - Join Jeanette Sidener in her passion for running as she sets up courses and offers running tips to local runners - all abilities are welcome. Club will meet at the Recreation Center to begin with and drinks will be provided. Pay \$3 a week or \$34 for the whole session through August.

Intro Weight & Fitness - This class is free for members new to the Casper Recreation Center. Instructor will give instructions on using machines and help tailor exercises to individual needs and preferences. Must have a current Recreation Center membership or pay \$8.

Tennis

All youth tennis lessons are run in conjunction with the United States Tennis Association (USTA) designed to teach basic skills quickly and promote interest in the lifelong sport of tennis. Levels listed below and all classes are held at the new Casper Tennis Complex in Highland Park. Racquets are available for loan or students can bring their own. Instructor, Tim Hough, has been coaching tennis since 2015 at different locations in both Colorado and Wyoming. He has coached players ranging in skill levels from beginners just starting their tennis journey to D1 athletes looking to perfect their game. **No classes on June 27 or July 4.**

Red Ball Tennis – This program for ages 5-8 is a great way to introduce kids to the lifelong sport of tennis and learn the basics in a fun way with lower bounce balls and smaller courts.

Orange Ball Tennis – Students ages 9-10 will work on improving skills and learning the rules and strategies of tennis in this skill building level. Orange felt balls bounce higher and move faster than the Red.

Green Ball Tennis – This program is for kids over 11 designed for those who already have a basic understanding of the game and are looking to build upon these skills. The green ball is very similar to the tradition yellow tennis ball but with a slightly lower compression so it rebounds lower off the court.

Cardio Tennis – The perfect way for men or women to get a good workout and improve muscular strength, endurance, balance, coordination, and agility while working on tennis skills.

Tennis Leagues

Youth and Adult singles leagues will be divided into A Leagues (Intermediate/Advanced players with a USTA rating of 3.5 or above) and B Leagues (Beginner/Intermediate players with a USTA rating of 3.0 or below). Singles and Doubles matches will consist of an 8-game pro set, the first to win 8 games wins the match (must win by at least 2). Mixed Doubles League must have one female player and one male player. Sign up as a team, or alone. Those who do not sign up as a pair will be paired with a partner. Instructor, Tim Hough, will be at matches to help with scoring and brackets.

In addition to Leagues, the Casper Tennis Association will be offering drop-in Triples on Thursdays from 5:30-7:00pm for a small fee to be paid to CTA. Triples is a fast moving 3 vs 3 with one player at the net and two players on the baseline. Players get tons of touches on the ball and complete a half-court circular rotation after every point. The focus is on fun, meeting new people and getting a good workout.

Exhibits

Central Wyoming Railroads On view through February 22, 2025

With the arrival of the railroads to Central Wyoming in the late 19th century, the town of Casper flourished. The Fremont, Elkhorn, and Missouri Valley Railroad was the first to arrive in Casper in 1888, and the Chicago, Burlington, and Quincy followed a few years later. This exhibit showcases old photographs of the vast rail system and displays objects associated with the railroads.

Hollywood in Wyoming On view through June 18, 2024

The rolling hills, snow-capped mountains, and broad plains of Wyoming have served as a backdrop for more than 100 films. View movie posters from about two dozen of them, and find out how many you have already watched—or need to!

Wyoming Railroads On view June 20 through October 12, 2024

See how Wyoming grew with the railroads, from the Transcontinental Railroad that first traversed the southern part of the state in 1868, to trains taking tourist to Yellowstone National Park, to those hauling everything from cattle and coal to people and automobiles.

Policies

Refunds

Full refunds will be given if a class is cancelled due to insufficient enrollment. Once a class begins, full refunds will only be given prior to the start of the third meeting of class. For one-day classes, a refund must be requested prior to the beginning of the class. Approved refunds on camp programs and facility passes will be prorated from the date of the refund request. Refunds will be given in the form of a check or credit card refund. No cash refunds will be given. Customers requesting a refund must fill out a refund request form.

Registration

Pre-registration is required for all classes. Registration is only finalized once the class fee is paid. Early registration is encouraged. Registration can be done in-person at the Casper Recreation Center, over the phone by calling 235-8383 (Recreation & Aquatics) or 235-8484 (Ice), or online at activecasper.com

Class Enrollment

Classes that have not met minimum enrollment will be cancelled or combined with other classes prior to or during the first week of each class.

Discounts

Group Discount

Businesses or organizations that purchase 20 or more passes receive 15% off.

Senior Discount

Individuals 62 and over may request a 5% discount on any Recreation, Aquatic or Ice Arena membership.

Combination Passes

Those who purchase annual or 6-month passes for more than one facility in one transaction will receive 15% off. Additional discounts, including scholarships, cannot be applied.

Scholarships

Recreation scholarships are available for youth of all ages, young adults (18-21) and seniors (55+) who are in financial need. Scholarship eligibility is based on income level relative to the number of members in the individual's household. Each application is evaluated individually and there are no assurances of receiving a scholarship.

Applications are available at the Casper Recreation Center front desk. Applicants must pay the 25% remainder of the pass or class fee, plus any remainder over the \$100 scholarship maximum, at the time that the application is submitted. Anyone who does not qualify for a scholarship will have the option to pay the remaining amount for the pass or class.

The Community Recreation Foundation scholarship program is funded by fundraisers and individual donations. Please call the Recreation Manager at 235-8403 if you would like to donate or get more information about the program.

Scholarship Policies:

1. Approved scholarship recipients receive a 75% discount on a facility pass or class registration (not to exceed \$100).
2. There is a limit of one class scholarship per individual per 3-month quarter and one facility pass per year.
3. Scholarships are designated for individuals only.
