SUBJECT: Establishing Public Hearing to Create the C85 Addition, and Rezoning the Same.

Meeting Type & Date: Regular Council Meeting, April 4, 2017.

Action Type: Establish Public Hearing for April 18, 2017.

Recommendation: That Council, by minute action, establish April 18, 2017 as the date of public hearing for an Ordinance approving a replat and a zone change for the proposed C85 Addition.

Summary: Background and Analysis – The Casper City Council is being presented with a replat creating the proposed C85 Addition, and a zone change of the property from C-2 (General Business) and R-3 (One to Four Unit Residential) to entirely C-2 (General Business).

Previous Council/Commission/Board Actions - The Planning and Zoning Commission reviewed the proposed replat and zone change at its March 16, 2017 public hearing. One neighboring property owner spoke in opposition to the case at the public hearing, citing concerns about a potential for increased traffic. The Planning and Zoning Commission voted to approve, both the replat and the zone change, and to forward a “do-pass” recommendation to the City Council.

Council Goals – Neither the replat, nor the zone change are addressed by the three (3) 2015 City Council goals.

Communication Efforts – As required by City Code and State Statute, a legal notice was published in the Casper Star-Tribune for the Planning and Zoning Commission public hearing, public notices were sent to all property owners within three hundred (300) feet of the subject property by First Class Mail, and the property was posted with an informational sign.

Prior to the City Council public hearing, legal notice was published a second time in the Casper Star-Tribune and public notices were mailed to all property owners within three hundred (300) feet of the subject property.

As is customary with all items being considered by the Planning and Zoning Commission and the City Council, both public hearings were also advertised on the City’s website (casperwy.gov).

Financial Considerations: The proposed Municipal Code text amendment does not affect the City's budget.

Oversight/Project Responsibility: Craig Collins, City Planner, is tasked with applying the City's land use regulations.

March 27, 2017

MEMO TO: V.H. McDonald, CPA, City Manager 
FROM: Liz Becher, Community Development Director 
SUBJECT: County Plat Approval, Sunburst Acres Major Subdivision

Meeting Type & Date: Regular Council Meeting, April 18, 2017.

Action Type: Resolution.

Recommendation: That Council, by resolution, approve a County plat within one (1) mile of the Casper City limits, creating the Sunburst Acres Major Subdivision.

Summary: Application has been made by Mountain Properties, LLC for County plat approval of the proposed Sunburst Acres Major Subdivision. The proposed subdivision encompasses 69.85-acres, more or less, and is platting land that is currently unplatted into six (6) new lots. The property is located west along Micro Road, south of the Hogadon Ski Area. There are no central water or sewer utilities serving this subdivision.

Pursuant to W.S. 34-12-103, all plats located within one (1) mile of the boundary of any city or town must be approved by said city or town prior to the filing and recording of the plat with the county clerk. The subject property is within one (1) mile of the Hogadon Ski Area which is annexed City property. The purpose of the extra-territorial jurisdiction afforded to cities and towns by Wyoming State Statutes is to ensure that development that occurs on the fringes of a community is designed and constructed in a manner that is consistent with the standards and specifications of the municipality. As growth occurs, and county subdivisions on the fringes are absorbed, problems can occur when those subdivisions are not designed according to the minimum standards of the municipality. In the case of the proposed Sunburst Acres Major Subdivision plat, the lots are adequately sized, are adjacent to established roads, and the right-of-way width is adequate to accommodate a standard City street section.

Council Goals: Neither the replat, nor the zone change are addressed by the three (3) 2015 City Council goals.

Communication Efforts: No public notice was necessary.

Financial Considerations: There are no financial considerations for the platting of Sunburst Acres Major Subdivision.

Oversight/Project Responsibility: Craig Collins, City Planner

WHEREAS, it is the desire of the Casper City Council to approve the Sunburst Acres Major Subdivision.

SUBJECT: Authorizing a Lease Agreement with the Casper Airmodelers' Association, Inc.,
for Operation of the Casper Airmodelers' Facility

Meeting Type & Date:

Regular Council Meeting
04/04/2017

Action Type:

Resolution

Recommendation:

That Council, by resolution, authorize a new lease agreement with the Casper Airmodelers' Association, Inc., for operation of the Casper Airmodelers' Facility.

Summary:

The Casper Airmodelers' Association, Inc., has operated the Casper Airmodelers' Facility in the North Platte Park, which they constructed in 1980. The association maintains the facility and operates under strict safety guidelines. The association has made improvements over the past few years with the assistance of the Parks and Building and Structure Division of the City of Casper.

The annual lease payments required of the groups operating the City's recreational facilities have been standardized to \$100 or \$500 per year, depending on the level of support the group receives from the City of Casper. The Airmodelers' Facility requires little help from the City to run the facility and programs. Staff recommends approval of the lease at the existing fee of \$100 per year.

2. LEASE TERM:

The term of this lease shall be for a period of one (1) year, commencing on the day of execution, to and including the 31 day of December, 2018. Provided, however, that Lessee shall have the option to renew the Lease for five (5) additional one (1) year terms, each under the same terms and conditions as herein set forth, by giving the Lessor at least sixty (60) days written notice of his intent to exercise each option prior to the end of the lease term or any renewal thereof.

Notwithstanding such option, Lessor shall have the right, within thirty (30) days after receiving the notice from the Lessee, to give Lessee written notice that the Lessor rejects such renewal and in such event, this lease shall terminate at the end of the lease term, or any renewals thereof, in which such notice was given.

3. LEASE FEES:

Lessee shall pay to Lessor as rent for the leased premises, the sum of One Hundred Dollars (\$100.00), payable annually in advance to Lessor at its offices located at (Administrative Services), 200 North David Street, Casper, Wyoming. 4. LAWS AND REGULATIONS:

Lessee shall be solely responsible for compliance with all laws, orders, and regulations of federal, state, and municipal authorities and with any direction of any public officer, pursuant to law, which shall impose any duty upon Lessee with respect to the real property and fixed assets. Lessee shall obtain all licenses or permits which may be required for the conduct of its business within the terms of this lease, or for making of repairs, additions, alterations, or improvements.

5. INDEMNIFICATION AND INSURANCE:

This Agreement is made upon the expressed condition that the Lessor shall be free from all liabilities and claims for damages and/or lawsuits for, or by reason of, any injury or injuries, to any person or property of any kind whatsoever, from any cause or causes whatsoever, while in or upon the leased premises or any part thereof, or occasioned by any occupancy or use of said premises, or any activity carried on, or under the direction of the Lessee in connection therewith, except for loss or injury caused solely from the negligence of the Lessor. Lessee agrees that it will protect, indemnify, and hold harmless the Lessor from all injuries, liabilities, costs, losses, expenses, suits, claims, and damages however occurring. Lessee further agrees to defend the Lessor, in any actions filed in court which arise from said injuries, liabilities, costs, losses, expenses, claims, and damages in the event the Lessor is named as a defendant in said court action.

Lessee agrees to hold Lessor harmless and defend Lessor in any and all suits, claims, demands, or actions arising from or relating to the use of the property by Lessee. Except as otherwise provided, Lessee agrees to procure and maintain public liability and property damage insurance in amounts not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) for any claimant for any number of claims arising out of a single transaction or occurrence, Five Hundred Thousand Dollars (\$500,000.00) for all claims of all claimants arising out of a single transaction or occurrence, and Fifty Thousand Dollars (\$50,000.00) for any property damage. All policies shall provide that they are primary coverage without any right of contribution from any other insurance policy or other sources of the Lessor, and that they will not be canceled without thirty (30) days prior written notice to Lessor. The intent of this lease section is to insure that sufficient funds are available to fully insure Lessor for the full amounts of its potential liability under the Wyoming Governmental

Claims Act, W.S. § 1-39-101, et seq. If the limits set forth in said Statute are altered, Lessee shall procure insurance to provide Lessor with full coverage according to said altered limits. The full limits of insurance required by this contract section shall be available to indemnify Lessor, if necessary, for any liability incurred by Lessor due to Lessee's use and occupancy of the leased premises. It is the intent of the parties that Lessor does not waive any immunity or limitation of its liability which is afforded by the Wyoming Governmental Claims Act, as further described in paragraph 22.

Lessee hereby agrees to provide Lessor with copies of said insurance policies along with appropriate certificates of insurance prior to the Lessee using the premises rented hereby for the uses specified in this lease.

The parties hereto agree and understand that the insurance coverage as provided and set forth above is a material provision of this lease. Lessor shall have the unequivocal right to terminate and cancel this lease if the insurance provided for herein is not procured by Lessee, or is otherwise terminated or cancelled by the insurer thereof.

2. LEASE TERM:

The term of this lease shall be for a period of one (1) year, commencing on the day of execution, to and including the ____ day of _____, 2018. Provided, however, that Lessee shall have the option to renew the lease for three (3) additional one (1) year terms, each under the same terms and conditions as herein set forth, by giving the Lessor at least sixty (60) days written notice of his intent to exercise each option prior to the end of the lease term or any renewal thereof. Notwithstanding such option, Lessor shall have the right, within thirty (30) days after receiving the notice from the Lessee, to give Lessee written notice that the Lessor rejects such renewal and in such event, this lease shall terminate at the end of the lease term, or any renewals thereof, in which such notice was given.

3. LEASE FEES:

Lessee shall pay to Lessor as rent for the leased premises, the sum of One Hundred Dollars (\$500.00), payable annually in advance to Lessor at its offices located at (Administrative Services), 200 North David Street, Casper, Wyoming. Rent shall be paid within thirty (30) calendar days upon receipt of invoice from the City of Casper.

4. LAWS AND REGULATIONS:

Lessee shall be solely responsible for compliance with all laws, orders, and regulations of federal, state, and municipal authorities and with any direction of any public officer, pursuant to law, which shall impose any duty upon Lessee with respect to the real property and fixed assets. Lessee shall obtain all licenses or permits which may be required for the conduct of its business within the terms of this lease, or for making of repairs, additions, alterations, or improvements.

5. INDEMNIFICATION AND INSURANCE:

This Agreement is made upon the expressed condition that the Lessor shall be free from all liabilities and claims for damages and/or lawsuits for, or by reason of, any injury or injuries, to any person or property of any kind whatsoever, from any cause or causes whatsoever, while in or upon the leased premises or any part thereof, or occasioned by any occupancy or use of said premises, or any activity carried on, or under the direction of the Lessee in connection therewith, except for loss or injury caused solely from the negligence of the Lessor. Lessee agrees that it will protect, indemnify, and hold harmless the Lessor from all injuries, liabilities, costs, losses, expenses, suits, claims, and damages however occurring. Lessee further agrees to defend the Lessor, in any actions filed in court which arise from said injuries, liabilities, costs, losses, expenses, claims, and damages in the event the Lessor is named as a defendant in said court action.

Lessee agrees to hold Lessor harmless and defend Lessor in any and all suits, claims, demands, or actions arising from or relating to the use of the property by Lessee. of claims arising out of a single transaction or occurrence, Five Hundred Thousand Dollars (\$500,000.00) for all claims of all claimants arising out of a single transaction or occurrence, and Fifty Thousand Dollars (\$50,000.00) for any property damage. All policies shall provide that they are primary coverage without any right of contribution from any other insurance policy or other sources of the Lessor, and that they will not be canceled without thirty (30) days prior written notice to Lessor. The intent of this lease section is to insure that sufficient funds are available to fully insure Lessor for the full amounts of its potential liability under the Wyoming Governmental Claims Act, W.S. § 1-39-101, et seq. If the limits set forth in said Statute are altered, Lessee shall procure insurance to provide Lessor with full coverage according to said altered limits. The full limits of insurance required by this contract section shall be available to indemnify Lessor, if necessary, for any liability incurred by Lessor due to Lessee's use and occupancy of the leased premises. It is the intent of the parties that Lessor does not waive any immunity or limitation of its liability which is afforded by the Wyoming Governmental Claims Act, as further described in paragraph 21.

Lessee hereby agrees to provide Lessor with copies of said insurance policies along with appropriate certificates of insurance prior to the Lessee using the premises rented hereby for the uses specified in this lease.

The parties hereto agree and understand that the insurance coverage as provided and set forth above is a material provision of this lease. Only those facilities or fixtures which are temporary in nature and have been constructed or funded by the Lessee may be removed by the Lessee at the end of the lease period. Any permanent facility or fixtures shall be considered the property of the Lessor.

SUBJECT: Authorizing the Renewal of a Taxi Company License for D&A Turbo Taxi, LLC, located at 3030 E. 5th Street, Casper, WY

Meeting Type & Date:

Regular Council Meeting, April 4, 2017

Action Type:

Minute Action

Recommendation:

That Council, by minute action, authorize a taxicab company license renewal for D&A Turbo Taxi, LLC, located at 3030 E. 5th Street, Casper, Wyoming.

Summary:

An application to obtain a license to operate a taxicab company within the City of Casper has been received from D&A Turbo Taxi, LLC.

Casper Municipal Code 5.60.120 requires the licensing of taxicab companies who operate a business in the City. Currently, there are four taxicab companies licensed through the City of Casper.

The licensing process requires a background check to be conducted by the Chief of Police or his/her designee and provides that the City Council may refuse to issue the license for violation of provisions of Chapter 5.60 of the Casper Municipal Code. The background check for this individual did not reflect any issues. The City has received verification for public liability insurance, as specified in Chapter 5.60.050 of the Casper Municipal Code. The company's insurance policy has been reviewed and approved by Risk Management.

Code Enforcement staff has reviewed and approved this property for use by a taxi company as per the home occupation ordinance provisions of Chapter 17.12.140 of the Casper Municipal Code. A home occupation is a business/commercial use conducted primarily within a dwelling unit. It cannot take up more than 25% of the dwelling space, cannot attract outside traffic and only family members can be employed to work at that location. There can be no outside storage or other disturbing influence greater than those of surrounding residential properties in the neighborhood. In addition, there can be no exterior advertising other than a one square foot sign (non-illuminated) that is attached flush with the dwelling unit.

Lastly, this applicant meets the qualifications listed in Section 5.60.130 of the Casper Municipal Code, which lists several specific requirements in regards to the applicant's age, criminal history, and driving record.

Financial Considerations:

There are no financial concerns associated with the authorization of this license.

Letter from Casper Police Department

DATE: February 14, 2017

MEMO TO: Becki Parker, Administrative Services Representative

FROM:  Shelley LeClere, Code Enforcement Supervisor

SUBJECT: 3030 E 5th – D & A Turbo Taxi

Copied below, from the Municipal Code, is the home occupation ordinance. As a home occupation, D & A Turbo Taxi can operate out of the residence at 3030 East 5th as long as the requirements are adhered to for a home occupation. If complaints are received and can be substantiated, then a formal notice of violation would be issued and the operators of the home occupation would have to appear before the Planning and Zoning Commission to defend their case.

17.12.140 Home occupations.

A home occupation is a business/commercial use conducted primarily within the dwelling unit.

A home occupation is allowed as a permitted accessory use in any residential district, provided said home occupation complies with the requirements set forth in this section.

- A. A use conducted primarily within a dwelling unit in which no person other than members of the family residing on the premises is engaged; which is incidental and secondary to residential occupancy; which causes no change in the outside appearance of the building or premises; that provides off-street parking as set forth in Section 17.12.080; that does not employ equipment or a process creating dust, smoke glare, smoke, traffic attraction or excessive noise, as set forth in Chapter 8.20 of this code. Specifically prohibited is the outside storage and display of merchandise, any activity involving any external building alteration, window display, construction equipment, machinery or outside storage, parking of large vehicles such as wreckers, trucks, transporting semi-trucks and trailers, or other disturbing influences greater than those of other residential properties in the neighborhood. A garage sale that does not exceed three consecutive days or a total of three days in a ninety day period shall not be considered a home occupation.**
- 1. The total area primarily used for such purposes shall not exceed twenty-five percent of the floor area of the user's dwelling unit, including accessory buildings.**
 - 2. There shall be no exterior advertising other than identification of the home occupation by a sign, which shall be attached flush with the**

dwelling and shall not exceed one foot square in area and which shall not be illuminated.

3. A home occupation shall not be interpreted to include, but not limited to, the following: veterinary uses including boarding of animals, nursing home, ambulance service, body repair and painting, restaurants which do not include bed and breakfast, and taverns.
- B. If an oral or written complaint is filed with the planning director, and the alleged violation is substantiated by the zoning enforcement officer, a public hearing before the commission shall be required to determine the continuation of the home occupation. Upon receipt of the written complaint, the commission shall follow the procedures set forth in Section 17.12.220. The complaint should contain the following minimum information:
1. Name and address of the person or persons filing the complaint;
 2. Documentation of the alleged violation;
 3. Date the alleged violation started;
 4. Problems that the alleged violation has generated.
- C. Upon hearing the home occupation complaint, the commission may order the use:
1. Discontinued, if the commission finds that the use is in violation of this title, or is injurious to the health, safety, and welfare of the neighborhood;
 2. Continued with reasonable conditions on the use;
 3. Continued with no conditions on the use in the event it finds that the use complies with this title; or
 4. Continued without change after showing that a home occupation has existed and been in use for a period of at least five years in violation of this title and the city has not taken steps toward enforcement subject to the procedure set forth in Section 17.12.220(H)(1)—(4).

(Ord. 15-93 (part), 1993; Ord. 5-91 (part), 1991)

As per my conversation with Ms. Spier, she has confirmed that only one taxi cab will be parked on the property at any one time, and she has also confirmed that no employees will be coming to the house to pick up a taxi cab and that customers will not be coming to the residence to “catch” a taxi cab. The taxi cab is only being dispatched from the house.

Therefore, as of this date, there is no conflict with the taxi cab business being operated as a home occupation at this address. If you have additional questions, please don’t hesitate to contact me.

SUBJECT: Authorize the Purchase of One (1) Used Remote Controlled Slope Mower, in the Estimated Total Amount of \$41,500.00, for Use by the Parks Division.

Meeting Type & Date

Regular Council Meeting. April 4, 2017

Action type

Minute Action

Recommendation

That Council, by minute action, authorize the purchase of one (1) used remote controlled slope mower, from Stotz Equipment, Evansville, Wyoming, to be used in the Parks Division of the Public Services Department, in the estimated total amount of \$41,500.00.

Summary

Quotes were requested for one (1) used remote controlled slope mower. On January 24, 2017, three quotes were received for the purchase of this used piece of equipment, as required by the City of Casper's purchasing policy. The recommended remote controlled slope mower is the lowest quote provided.

This new mower will increase operator safety and provide a machine that will be able to mow steeper grades, i.e., the interstate corridor. This machine will also do well in all areas maintained – next to drainages, roads and around mail boxes. Also, there are less moving parts in a remote controlled mower than in a slope mower, thereby reducing maintenance costs and repair issues. City Council approved by minute action reallocating capital funds from the purchase of an aerial lift truck to a mower at the January 17, 2017 Council Meeting to address safety concerns associated with the current ride on slope mowers.

The remote controlled slope mower from Stotz Equipment meets all the required specifications. There are two trade-ins associated with this single purchase.

The quotes are as follows:

<u>Quoted Item</u>	<u>Vendor</u>	<u>Amount of Quote</u>	<u>Estimated Trade-In</u>	<u>Estimated Total</u>
(1) Used Slope Pro Slope Mower Equipment	Stotz Evansville, WY	\$47,500.00	\$6,000.00	\$41,500.00

<u>Quoted Item</u>	<u>Vendor</u>	<u>Amount of Quote</u>	<u>Estimated Trade-In</u>	<u>Estimated Total</u>
(1) Used Slope Pro Slope Mower Equipment	Progressive Turf Seaport, Ontario	\$52,970.00	\$6,000.00	\$46,970.00
(1) Used Slope Pro Slope Mower Equipment	Stotz Evansville, WY	\$48,500.00	\$6,000.00	\$42,500.00

Financial Considerations

This purchase is approved in the FY17 adopted budget and is funded by the One Cent #15 Optional Sales Tax Revenue.

Oversight/Project Responsibility

This purchase will be made by Jason Shellabarger, Fleet Maintenance Manager in Support Services with oversight being transferred to Dan Coryell, Parks Manager in Public Services after the equipment is received.

SUBJECT:

Discharge of Uncollectible Accounts Receivable Through 12/31/11

Meeting Type & Date

Regular Council Meeting, April 4, 2017

Action Type

Minute Action

Recommendation

That Council, by Minute Action, authorize the discharge of \$158,292.39 of uncollectible accounts receivable balances, aged between the dates of April 1, 2008 and December 31, 2011.

Summary

Wyoming State Statute 16-4-502 specifies that amounts owed to the City can be discharged by the City Council upon certification of those accounts to the City Council by the City Manager. The accompanying list meets the certification requirement, which requires that an account be uncollectible by means of collection efforts being exhausted, death, or bankruptcy. Staff has cross referenced the current utility accounts, payroll, and accounts receivable database for names and addresses as a final review.

Staff is always reticent to release any debt as uncollectible. After sixty days of pursuit by City Staff, unpaid debts are referred to a private collection agency. But after five years of collection effort, these debts have not been collected, and it has become exceedingly unlikely that additional effort expended on collection will result in any additional payments.

The attached accounts receivable list shows all amounts owed up to December 31, 2011. This proposed discharge maintains five (5) years of accounts receivable on the aged trial balance, supporting staff's current workflow to continually clear up bad debt. The total balance of \$152,292.39 is certified for discharge.

Financial Considerations

The accounts requested to be discharged will have no financial impact to the City's reported financial results at this time because an estimate of bad debt expense is recognized quarterly. The estimate is adequate to cover this discharge amount.
