Mr. Carter Napier
City Manager
City of Casper
200 N. David Street
Casper, Wyoming 82601

Dear Mr. Napier & Members of the Casper City Council:

I would like to apply for the vacant position on council in Ward 1 which I have seen advertised on the City of Casper website. Please find enclosed my completed application form.

I have dedicated my life to the profession of architecture and view my job not as a career, but as a lifestyle. An architect's role in the community extends beyond our professional obligations by providing professional experience and problem-solving skills to local agencies that help shape the built environment for the better.

As a graduate of NCHS in 1999, I left Casper with intentions to never return like many of our high school kids do. But through time and travel, I realized that I could have a bigger impact on our community by moving back and giving my time and treasure to serve the people of Casper. I have dedicated the past ten years of living here to making this city a place that future generations will not want to leave but to embrace. Should I be appointed, I feel like I can continue to pursue making this town a place that everyone is proud to call home.

As an active member of the community, I have served on the boards of Rotaract, the ARAJPB, the DDA, Montessori School of Casper, and AIA Wyoming. In my capacity as an architect, I have been able to serve these boards through various building and infrastructure projects that have helped make Casper a better place to call home.

I fully understand the time commitment requirements of the position and am ready and willing to participate should I be chosen. I would appreciate the opportunity to interview with City Council to further explain my qualifications and interest in being a councilman. Thank you for your time and consideration of my application for the vacant position in Ward 1

With Respect,

Brandon Daigle, AIA

I have served in a management capacity with both the State of Wyoming and the United States Federal Government for approximately 35 years. I am retired from the State of Wyoming and the United States Department of Treasury. While employed with the State of Wyoming my duties ranged from being an intake counselor with Job Service, to management analyst, to working with (not for) the State Attorney General's office in the preparation and execution of contracts for Unemployment Compensation and Workforce Services Divisions. Later after retiring from the State of Wyoming I went to work for the United States Department of Treasury, Internal Revenue Service. While employed with the I.R.S. I was an I.T.A.S. or Individual Tax Advisory Specialist. Duties are way too numerous to list but we assisted taxpayers who came to our office to resolve tax related issues. During my federal employment I transferred to the United States Department of Agriculture, Natural Resources Conservation Service U.S.D.A.-N.R.C.S. and served as the state contract manager.

I AM A 1975 GRADUATE OF KELLY WALSH HIGH SCHOOL. I HAVE TAKEN CLASSES AT CASPER COLLEGE - ECONOMICS AND A STOCK MARKET CLASS. I RECEIVED A FULL RIDE SCHOLARSHIP TO SOUTH DAKOTA SCHOOL OF MINES AND TECHNOLOGY IN RAPID CITY, BUT I QUIT COLLEGE AFTER ONLY 2 DAYS BECAUSE I DID NOT WANT TO BE AWAY FROM CASPER - THE CITY I LOVE - I DID NOT WANT TO BE AWAY FROM CASPER FOR 4 YEARS. MY MAIN WORK EXPERIENCE IS THE UNITED STATES POSTAL SERVICE FROM DECEMBER 1973 UNTIL JUNE 2012 THE LAST 35 YEARS AT THE POSTAL SERVICE I WORKED THE FRONT CUSTOMER SERVICE COUNTER AT THE DOWNTOWN POST OFFICE. I LOVED THAT JOB AND FELT LIKE THEY WERE PAYING ME \$25.00 AN HOUR TO TALK TO ALL MY FRIENDS, MEET ALL THE GOOD LOOKING SECRETARIES IN TOWN, AND MEET ALL SORTS OF NEW PEOPLE. I TOOK A JOB AS A WALMART PEOPLE GREETER IN DECEMBER 2012 BECAUSE I MISSED ALL THE ONE ON ONE INTERACTION WITH PEOPLE THAT I HAD AT MY POSTAL SERVICE JOB. MY GROSS PAY RETIREMENT PENSION FROM THE POSTAL SERVICE IS \$3,417-^{AMOUNT}00 OF THAT AMOUNT THEY TAKE OUT TAXES AND MY HEALTH INSURANCE PAYMENTS. MY ~~HOME~~ HOUSE AND CAR ARE PAID FOR - SO I DON'T FINANCIALLY NEED MY JOB AT WALMART. ALTHOUGH I WOULD MISS THE INTERACTION WITH PEOPLE AT WALMART - IF SELECTED OVER →

TO THE VACANT CITY COUNCIL SEAT I WOULD QUIT MY JOB AT WALMART SO I COULD BE AVAILABLE FOR ALL CITY COUNCIL RELATED DUTIES - MEETINGS, COUNCIL RETREATS - LIAISON ASSIGNMENTS FOR THE CITY COUNCIL. I PUT MY NAME ON THE BALLOT AND RAN FOR A CITY COUNCIL SEAT AND WON AND REPRESENTED WARD 3 FROM JAN 6 1989 UNTIL DECEMBER 31 1990 I HAVE SERVED AS LIAISON TO THE CITY COUNCIL AS THE PARKS AND RECREATION BOARD, PLANNING COMMISSION, METROPOLITAN ANIMAL CONTROL, FACILITY JOINT POWERS BOARD, CASPER BOARD OF PUBLIC UTILITIES, FORT CASPER BOARD, ETC. I HAVE EXTENSIVE COMMUNITY INVOLVEMENT. I HAVE BEEN A YOUTH SPORTS MANAGER IN LITTLE LEAGUE BASEBALL - BABE RUTH BASEBALL - YMCA YOUTH BASKETBALL, MIDGET FOOTBALL INVOLVEMENT, A VOLUNTEER FOR THE ~~WOMEN~~ BOYS AND GIRLS CLUB BOXING TEAM FOR 9 YEARS, PRESIDENT OF CASPER CITY LEAGUE BASKETBALL BEFORE I CONVINCED THE CASPER RECREATION CENTER TO TAKE IT OVER, I HELPED START A CHRISTIAN SINGLES GROUP FOR MEETING AND DATING FOR CHRISTIAN SINGLES, I HELPED AS STOREKEEPER FOR THE WYOMING WILDLIFERS SEMI-PROFESSIONAL BASKETBALL TEAM.

I FEEL I DESERVE THE WARD 1 OPEN COUNCIL SEAT BECAUSE I WOULD QUIT MY WALMART JOB SO I WOULD BE AVAILABLE FOR COUNCIL. ALSO, I RAN FOR A COUNCIL SEAT IN WARD ONE IN 2012 AND THERE IS A GOOD REASON I DIDN'T WIN. FIRST OF ALL, YOU CAN

PAGE 3
TIM HAMRE
PHONE 265-3070

ASK BOB HOPKINS - WHO ALSO RAN - HE WILL VERIFY
I DIDN'T EVEN SHOW UP FOR THE FINAL WARD ONE
DEBATE AT THE CASPER STAR TRIBUNE. I HAD STATED
PUBLICLY THAT MY MAIN PURPOSE FOR RUNNING
FOR THE SEAT WAS TO KILL THE HOTEL CONVENTION
CENTER IDEA AND THEN WHEN I ACCOMPLISHED THAT
GOAL I WOULD RESIGN MY COUNCIL SEAT. A LOT OF
MY SUPPORTERS CALLED ME - MOSTLY PEOPLE WHO KNEW
ME FROM THE POST OFFICE THAT I DIDN'T KNOW THAT WELL -
THEY CALLED ME AND SAID THEY COULDN'T VOTE FOR ME
IF I WAS GOING TO QUIT THERE WERE 2 OPEN WARD ONE
SEATS IN 2012 AND I DID HARDLY ANY CAMPAIGNING
FOR THE PRIMARY - WHICH I FINISHED SECOND BEHIND
BOB HOPKINS BUT STILL WOULD HAVE BEEN GOOD ENOUGH
FOR ONE OF THE OPEN SEATS. AGAIN - I FEEL I WOULD
BE A GREAT ASSET TO THE CASPER CITY COUNCIL.
IF I DO GET AN INTERVIEW FOR THE COUNCIL SEAT -
PLEASE SCHEDULE MY INTERVIEW FOR WEDNESDAY,
THURSDAY, OR FRIDAY - AS THOSE ARE MY DAYS OFF WORK
AT WALMART.

SINCERELY,

Application to Fill City Council Ward 1 Vacancy

Please accept this letter and the attached Resume as my application to fill the interim Ward 1 vacancy.

I have lived my entire life as a resident of Ward 1. 648 So Ash was my childhood home, I then lived at 743 So Wolcott with my parents until moving back to 648 So Ash where I lived until I moved in 1987 to my current residence at 3823 So Poplar.

I have vivid childhood memories of my father's service from 1957 to 1968 as Casper City Engineer. This experience impressed upon me the importance of the Council's work. Dad so often spoke of both good and bad Council actions and how they impacted the community.

My priorities on the Council would be as follows:

1. Public safety (police and fire).
2. Public Services (water, sewer, garbage and streets).
3. Traffic planning.
4. Planning and code enforcement.
5. Leisure services.

Public Safety priorities need no explanation, pretty much the same with Public Services. These are basic necessities.

Planning, zoning, traffic planning and code enforcement are all important in that they directly relate to future growth and ensuring the viability of the community into the future. All of these matters can and should be conducted in a manner that promotes orderly growth. Done wrong they can be detrimental to the future.

Casper has many great amenities. These should all be treated and operated as the great assets they truly are and not treated as they often have been as liabilities.

During my years of service as a judge I served on numerous committees and councils. I found that I truly enjoy collaborative decision making. The best solution is almost always in the room. Everybody just needs to listen and work together. I also learned the importance of not making a final decision until all of the facts and arguments have been presented. I can't tell you how many times at the beginning of a trial I thought that a particular matter was 'open and shut' only to find that after hearing all of the facts that the matter was anything but 'open and shut'.

If chosen my current intent would be to stand for election this fall. For many years I have considered running for the Council but was precluded ethically during my tenure as a Judge. Now being retired I no longer suffer that limitation. Also there was a conflict in meeting schedules with my duties as Chief of the Casper Mtn Fire Department. I have retired as Chief (after 18 years) and no longer face that concern.

I can pledge my full commitment to Council work. When I'm 'in for a dime, I'm in for a dollar'. I have no special agenda or 'axes to grind', just a desire to help the City.

I look forward to interviewing with you and can provide references upon request.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Mike Huber', with a stylized flourish at the end.

Dear Members of Casper City Council,

This is my letter of intent to secure an active roll in our city government.

I believe we all have unique abilities and something to offer our community and city. I hope you recognize what I could offer our city and its citizens.

Shawn, your strong commitment to upholding the state and United States constitution is obvious and respectable. You are able to relate to members of law enforcement and citizens who have experienced the workings of our judicial branch.

Kenyne, your passion for helping the elderly population is inspiring. Your leadership abilities are strong and sharp, yet you are extremely approachable and relatable.

Jesse, you are a positive roll model to many. Even when things seem dire, you offer a breath of fresh air with your positive attitude and focus on the good in our community. I admire the way you promote education and community involvement and participation. I appreciate your dedication to attend various events and be a constant presence in our city.

Chris, you have been extremely accessible when I have reached out to you. You offer a fair opinion and valuable insight, especially with your knowledge regarding law enforcement. You have been honest and fair when you have voted on difficult issues.

Charlie, I admire your advocacy for oppressed populations in our community. You humbly offer insight and education concerning mental health. I have seen you be passionate, yet you still manage to remain composed and professional. You have been an example and a strong leader to me personally.

Ray, your dedication to the young community in our city is admirable. Thank you for all of your efforts regarding our children. Thank you for your passion, your strength, and your professional demeanor. I have appreciated the insight you have offered during tumultuous times in our city. You remain positive and continue to work to show how humanity should be demonstrated.

Bob, I realize you have not been a huge fan of mine. Despite that, you have listened to me. Thank you. I see your passion for our city and its citizens and I hope to learn from you about your efforts in the development of downtown as well as its historical value.

Dallas, thank you for being openminded and listening to our citizens. You have taken my concerns and voiced them and followed up with not only the issues, but me as well. I appreciate your advocacy and your voice 😊 We hear it often. I appreciate it.

You are all so different. The council is eclectic to say the least. You all offer insight to different areas and populations within our city. I feel I would be a dynamic asset to this council because of the insight I will be able to offer regarding a specific population and issues surrounding that particular population. I am, however, also accessible. I am humbly a single mother and a cleaning lady. I'm no better or worse than anyone else. It's obvious to say I am an expert at time management, multi-tasking, and teamwork.

Please consider me for the vacant position on this council.

I appreciate your time and consideration.

Thank You,

Dear Council,

I am applying for this position to help represent the community in my ward as well as Casper and Wyoming as a whole. Currently I am registered with the Constitutional Party although I do not side with any particular religious denomination or political affiliation. I do consider myself to be a Christian and I think it is fair to say that the majority of Casper would also fall into this category. I do not believe in political parties. It is of my opinion that candidates should stand on their own platform, therefore I consider myself an independent. As far as my community service goes; I teach women's self defense classes once or twice a year and I have taught police officers as well. In the past I have done some work in Community Theater and was a bell ringer for the Salvation Army in 2005.

I have lived in Casper, most of my life although I have also lived in NYC, MA, CA and OR. I have been back for about 14 years. I know Wyoming very well. My dad was in the oil business growing up. I work with the public as a server and so I am privileged to have conversations with my guests regularly, therefore I have a good grasp on the community.

The city of Casper is a business. To run it well you need a business mind. I have opened a successful business from scratch and it is still in operation to this day. Fiscal responsibility is important as well as a mind on sound monetary policy and flow. The Constitutions are important as they are a compass to maintain independence as well as balance that with responsibility. As I currently run a dojo (a school for martial arts), discipline is a core principal I embrace.

A few years back I did run for City council so you should know my heart is in this. My interest is in the sake of the community, for the people who live here. I have family here and therefore I have a vested interest that they live in one of the best cities in the country.

My ideology leans towards truth, liberty and independence. I am not a socialist and certainly not a communist. This state is conservative leans heavily towards libertarianism. I speak my mind as some of you well know. I have no issues holding anyone accountable and am comfortable being held to the same standard. I do not mince words, but I strive to be respectful, to a degree, when doing so.

A city councilman is not a celebrity, nor do they deserve special treatment or special recognition. They are public servants. As such they should strive for the betterment of their constituents rather than for selfish reasons or social status. Humbly, I wish to serve in such regards. I hope you take this all well into consideration. I strive to take a logical approach in my thinking as it pertains to the betterment of us all. We all live here. How can we improve the situation for the whole rather than a few?

Thank you for your consideration.

Sincerely,
Gabriel T. Phillips

Dear City Council ,

I am a dedicated, passionate individual who is interested in fulfilling the open seat on City Council. I have been a resident of Casper, Wyoming since 2009. Prior to relocating to Casper, I lived in Ohio. I grew up in a small community similar to Casper. As a young adult I was a volunteer at my local church, Crestline Church of the Nazarene. My family and I relocated to Casper shortly after the diagnosis of our son having Down Syndrome. As a mother of a child with special needs I have become an advocate for inclusion helping other mothers along their journey with acceptance of the diagnosis. Professionally I have continued to develop my skill set by going back to school for my Masters in Business Administration with a focus in Healthcare Management. While obtaining this degree, it has taught me two main things. First is, I am very passionate about compliance and following rules & regulations. Second, I strive to be front and center when it comes to change and keeping our community safe. I would love the opportunity to be a part of city council and making changes within our community. Thank you for considering my application. Looking forward to speaking to you soon.

Sincerely,

Sara Rust
